INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
L.S.U. at Eunice Foundation, Inc.
Eunice, Louisiana

We have audited the accompanying financial statements of L.S.U. at Eunice Foundation, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of L.S.U. at Eunice Foundation, Inc. (a nonprofit organization) as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 19, 2021 on our consideration of L.S.U. at Eunice Foundation, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering L.S.U. at Eunice Foundation, Inc.'s internal control over financial reporting and compliance.

Notes to Financial Statements

NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The L.S.U. at Eunice Foundation, Inc. is a non-profit corporation formed to promote the educational cultural welfare of Louisiana State University at Eunice by accepting gifts for the purpose of providing scholarships, aiding research or such other designated projects for the benefit of the University.

Basis of Accounting

The Foundation uses the accrual basis of accounting. Revenues are recognized when they become measurable and available as net current assets. Expenditures are generally recognized when they are incurred.

Basis of Presentation

The Foundation has adopted FASB Financial Accounting Standards Update 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements for Not-for-Profit Entities*. Under FASB ASU 2016-14, the Foundation is required to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets without Donor Restrictions – Net assets without donor restrictions are resources available to support operations and not subject to donor or grantor restrictions.

Net Assets with Donor Restrictions – Net assets with donor restrictions are resources that are subject to donor-imposed or grantor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity.

Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the Statements of Activities and Changes in Net Assets.

Uses of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Foundation is exempt from federal income tax under Section 501(a) of the Internal Revenue Code (IRC) as an organization described in IRC Section 501(c)(3). Accordingly, no provision for income taxes has been made.

L.S.U. AT EUNICE FOUNDATION, INC.

Notes to Financial Statements

NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

However, should the Foundation engage in activities unrelated to its exempt purpose, taxable income could result. The Foundation had no material unrelated business income for the fiscal years audited.

The Foundation elected the provisions of FASB ASC 740-10. It has not adopted any uncertain tax positions with respect to those amounts reported in its fiscal years ended June 30, 2020 and 2019 financial statements.

The Organization's income tax filings are subject to audit by various taxing authorities.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Change in Accounting Principle

FASB issued ASU No. 2016-14, "Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities" in 2016. The ASU addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The Organization adopted ASU 2016-14 during the fiscal year ended June 30, 2019. The adoption of ASU 2016- 14 had no impact on the Organization's total net assets.

Contributions

Contributions received are recorded as support with or without donor restrictions. All donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is met), net assets with donor restrictions are reclassified to net assets without donor restrictions, as appropriate, and reported in the statements of activities and changes in net assets as net assets released from restrictions.

Pledges Receivable

Pledges receivable are unconditional promises to give are recognized as revenue in the period received. Promises to give are recorded at their realizable value if they are expected to be collected in one year and at fair value if they are expected to be collected in more than one year. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. In the opinion of management, all unconditional promises to give were considered to be collectible and an allowance for uncollectible promises to give was not considered necessary.

Subsequent Events

Management has evaluated subsequent events through January 19, 2021, the date the financial statements were available to be issued. There were no events that required disclosure

L.S.U. AT EUNICE FOUNDATION, INC.

Notes to Financial Statements

NOTE 2 AVAILABILITY AND LIQUIDITY

The Foundation regularly monitors the availability of resources required to meet its operating needs and other contractual commitments, while investing available funds in accordance with the Foundation's investment policy. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Foundation considers all expenditures related to its regular, recurring, and ongoing program service activities as well as the conduct of services undertaken to support those activities to be general expenditures. The Foundation anticipates revenues to be sufficient to meet its general expenditure needs.

The Foundation does not consider assets including principal of investments to be available for general expenditure. Principal balances on investments are restricted by donor intent.

As of June 30, 2020, the following schedule identifies financial assets that could be made readily available within one year of the statement of financial position date to meet general expenditures:

<u>Financial assets at year end:</u>	
Investment securities, at market	\$ 2,744,145
Total financial assets	<u>2,744,145</u>
Less: those unavailable for general expenditures:	
within one year, due to:	
Principal of Investments	\$ 1,754,234
Restricted for debt repayment	<u>37,320</u>
	<u>\$ 1,791,554</u>
Total financial assets available to meet general expenditures over the next twelve months	<u><u>\$ 952,591</u></u>

NOTE 3 INVESTMENTS IN L.S.U. FOUNDATION MANAGED ASSETS

The Foundation entered into a management agreement with the L.S.U. Foundation whereby the L.S.U. Foundation shall hold funds on behalf of the Foundation solely for the purpose of investing the funds. The L.S.U. Foundation may assess its standard service fees annually to cover its administrative costs. The agreement shall remain in effect until 180-day written notice is given by either party to the other party.

Investments held by the L.S.U. Foundation on behalf of the Foundation are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the statement of activities.

L.S.U. AT EUNICE FOUNDATION, INC.

Notes to Financial Statements

NOTE 3 INVESTMENTS IN L.S.U. FOUNDATION MANAGED ASSETS (Continued)

Investment in L.S.U. Foundation managed assets consisted of the following as of June 30:

	2020		2019	
	Cost	Market Value	Cost	Market Value
Unrestricted	\$ 993,616	\$ 989,911	\$ 771,302	\$ 762,039
Permanently Restricted	<u>1,468,152</u>	<u>1,754,234</u>	<u>1,454,935</u>	<u>1,804,127</u>
	<u>\$2,461,768</u>	<u>\$2,744,145</u>	<u>\$2,226,237</u>	<u>\$2,566,166</u>

Fair Values of Financial Instruments

The Foundation adopted FASB Accounting Standards Codification Topic 820, “Fair Value Measurements (Topic 820).” Topic 820 requires disclosures that stratify balance sheet amounts measured at fair value based on the inputs used to derive fair value measurements.

These levels are:

- Level 1 -inputs are based upon adjusted quoted prices for identical instruments traded in active markets.
- Level 2 -inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of assets or liabilities.
- Level 3 -inputs are generally unobservable and typically reflect management’s estimate of assumptions that market participants would use in pricing the asset or liability. The fair values are therefore determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques.

Fair Value of Assets Measured on a Recurring Basis

The Foundation’s investments in securities with readily determinable fair values are recorded at fair value based on quoted market prices. For those investments, where quoted prices are unavailable, management estimates fair value based on quoted prices for similar instruments with consideration of actively quoted interest rates, credit ratings and spreads, prepayment models, and collateral data. The Foundation utilizes several externally managed funds of funds for private equity, venture capital, and hedge funds, and with these types of investments, quoted prices are often unavailable, and pricing inputs are generally unobservable. The Foundation relies on the valuation procedures and methodologies of the external managers hired specifically to invest in such securities or in strategies which employ such securities. The application of those valuation procedures and methodologies are borne out in each manager’s FASB ASC 820 compliant annual audited financial statements and were monitored through the L.S.U. Foundation’s reporting periods ended June 30, 2020 and 2019.

In planning and performing our audit of the financial statements, we considered L.S.U. at Eunice Foundation, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of considered L.S.U. at Eunice Foundation, Inc.'s internal control. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.
