

# Traffic and Parking Regulations

## GENERAL INFORMATION

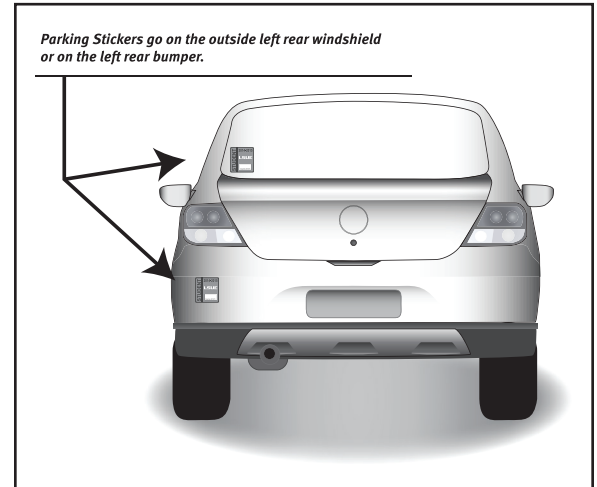

All motor vehicles operating on the LSU Eunice campus must have a registration decal. **Decals must be placed on the left rear bumper or on the left side of the rear windshield (affix on the outside glass). If the decal is not properly affixed, the vehicle will be ticketed.**

Vehicles with **decals that have been cut, altered or defaced will be issued a ticket.**

Vehicles must be registered by the end of the first week of classes. Anyone who temporarily wants to bring a vehicle on campus other than the one registered should obtain a **temporary permit** from the Business Office customer window next to Room 115 of the Science Building.

Decals will designate the areas in which vehicles are to be parked. Student decals permit students to park in any parking areas designated for students on a first come, first served basis.

Decals and registration forms are available at the Business Office customer window next to Room 115 of the Science Building. Office hours are 8 a.m. -4:30 p.m. The registration fee is \$30 per vehicle per year (\$10 for Summer only).

## POLICIES AND REGULATIONS

- a. It is the responsibility of all persons operating motor vehicles on campus to learn and obey traffic and parking regulations.
- b. Pedestrians always have the right of way on campus streets and parking areas.
- c. Unless a different limit is posted, the speed limit is 15 mph on all campus streets and 10 mph in parking areas. Drivers must adjust their speed to less than these limits when conditions so indicate.
- d. Vehicles must be parked in areas specifically designated for vehicles bearing a particular decal. Parking decals are issued for students, administrators, faculty and staff. Parking is permitted only in lots and on one side of Center Street (faculty and staff parking). Parking along other streets is not permitted. Vans and over-size or regular-size trucks are not allowed to park on Center Street. Please be especially careful on Center Street. Drivers backing out or individuals walking between cars should be on the alert for oncoming traffic.
- e. Vehicles must follow established traffic routes (indicated by arrows) in parking lots. Cutting across lots is not permitted.
- f. Vehicles must be centered in marked parking spaces.
- g. Vehicles must not be backed into parking spaces on lots. Drivers should not pull across one parking space to reach the opposite space. Backing into a space or pulling across to an opposite space leaves the parked vehicle illegally facing against the flow of traffic.
- h. Vehicles must be registered by the end of the first full week of classes.
- i. Vehicle decals are valid from the date the car is registered until the following August 15.
- j. Vehicles must stop at all stop signs.

## SCHEDULE OF FINES

Failure to register a vehicle.....	\$10
Illegal parking .....	\$10
Moving violation .....	\$10
Illegal parking in handicapped space.....	\$25
Cutting, altering, or defacing decal.....	\$10

Vehicles receiving three or more tickets may be banned from operating on the LSU Eunice campus.

## APPEALS

A form to appeal traffic tickets may be obtained from the Office of Student Affairs and Enrollment Services, Room 112 of the Academic Center.

## DRIVING TIPS

Note that the speed limit on LSUE Drive from the Maple Avenue intersection is 35 mph.

Check carefully at all railroad crossings. Caution: Trains still use the railway line crossing Highway 3123 immediately before the intersection with Highway 13 south of LSU Eunice. Don't take a chance at any crossing.
