Please complete this form by checking off the correct box. Attach copies of certificates to the form and submit the packet to LSUE. Credit applications under the Fire & Emergency Services Articulation Agreement are available only to students and organizations that adhere to the requirements of the articulation agreement. Any attempt to unjustly secure credit under the articulation agreement will result in the student's certificates being declared PERMANENTLY unusable under any of the fire and emergency services prior learning programs. Students **MUST** complete 18 credit hours at LSUE before articulated credit can be posted onto a transcript. Students must be registered for classes to receive articulated credit. Upon receipt of completed paperwork, the Office of Records will post credit after the census day of the semester or term in which the student is registered for classes. **All students must pay a fee of \$30 per credit hour for credit awarded through this agreement. NOTE: This form is merely a request for credit, and no money is to be submitted at this time.**

**Firefighter Articulation Agreement** (The maximum credit award is **24**; may not be combined with Paramedic Articulation Agreement)
