Program Graduation Rates

NOTE: Graduation rates are shown for all new first-time CIT students and for an adjusted group excluding students who changed majors within the first year.

Category	Total Students	Students Remaining	Graduates	Graduation Rate (%)
New first-time students declaring CIT as major	103	103	32	31.07
Adjusted cohort (excluding first-year major changes)	103	94	32	34.04

Academic Year	Fall	Spring	Total
2018-2019	1	6	7
2019-2020	0	0	0
2020-2021	0	3	3
2021-2022	0	7	7
2022-2023	0	4	4
2023-2024	0	3	3
2024-2025	2	4	6
2025-2026	2	7	9
Totals	5	34	39

Data Disclosure Notes

- Graduation rates are calculated as graduates divided by students remaining in the program.
- The adjusted rate excludes students who changed majors within the first year.
- Data includes students entering Fall 2017 through Spring 2024 and graduating through Fall 2025.
- Summer entrants are included with the subsequent Fall cohort per institutional reporting practices.
- Academic year is defined as Fall through Spring.
- 2025-2026 data are preliminary at time of reporting.
