

Summer 2018 Registration Guide

I. INTRODUCTION

This Registration Guide is neither a contract nor an offer to contract. LSU Eunice reserves all rights to make adjustments and changes as it deems necessary without prior notice. The University reserves the right to cancel any courses in which there is not sufficient enrollment. Should a class be canceled after you enroll, you may add another course during the late registration/schedule adjustment period at the beginning of the term without penalty. If you have no alternate course preferences, you will receive a full tuition refund. Allow six to eight weeks to receive the refund.

REGISTRATION GUIDE PROVIDES VITAL INFORMATION

Other than the Academic Catalog, your Registration Guide may be the single greatest piece of resource material available to you. While the Catalog tells you everything in general about LSU Eunice, the Registration Guide tells you “everything you need to know but are afraid to ask” about the summer semester. Look over the Registration Guide carefully, print out a copy, and be sure to bring it with you for advising and registration. **In order to be considered a registered student, all persons must 1) meet with an advisor, 2) schedule classes, and 3) clear fees. Until all three steps are successfully completed, persons are not considered registered for classes.**

MEET WITH YOUR ADVISOR BEFORE REGISTRATION

All students are strongly encouraged to meet with an academic advisor before registration begins. Academic advising is more than just a time to schedule next semester’s classes; it is a decision-making process in which you not only receive clearance for registration, but also obtain advice on your long-term plans for the future. If you are a new, re-entry, or transfer student and need to attend orientation, you will meet with an advisor during orientation. If you are unable to meet with an advisor during orientation, you will need to schedule an appointment with an advisor prior to registering.

II. ADMISSION TO LSU EUNICE

To apply online for admission to LSU Eunice, visit the web site at <http://apply.LSUE.edu>. Once the application is completed online, applicants must pay a \$25 application fee before the Office of Admissions can process the application. The fee can be paid online using a credit card, or by check or money order mailed to: LSU Eunice • Office of Business Affairs • P.O. Box 1129 • Eunice, LA 70535.

III. ORIENTATION/REGISTRATION

Orientation/Registration offers incoming students a chance to learn about the University and meet with staff from key campus departments. It helps ease the transition into college life by providing vital information and opportunities for interaction with students, faculty, and staff. Students can also have their ID cards created, visit with an academic advisor, and register for classes.

Orientation is mandatory for all students who have earned fewer than 12 non-dual enrollment semester hours. **Students re-applying to LSUE may be required to attend orientation even if they have more than 12 semester hours if they have a signed Contract for Success on file in the Developmental Education Office.** Upon being admitted to LSU Eunice, students may [register online for Orientation/Registration](#). There is a \$30 orientation fee. Check-in on orientation day will be at the Acadian Center. For more information, please call (888) 367-5783 ext. 208, or locally (337) 550-1208.

Orientation Schedule for Summer 2018 on the LSU Eunice campus

April 3, 2018	8:30 AM* / 9:30 AM
April 6, 2018	8:30 AM* / 9:30 AM

The American College Test is administered annually on five national testing dates. ACT scores are used in placing students in English, mathematics, and other classes as listed in the LSU Eunice Catalog. LSU Eunice is a national test site. The regular registration deadline is usually at least five weeks prior to the test, with a late registration deadline at least three weeks prior to the test. To register for the exam, visit [ACT's website](#). Students should note that ACT scores older than five years will not be used for placement. For additional information, contact the Office of Enrollment Management at (337) 550-1208.

In addition to the national tests, LSU Eunice administers a residual ACT test prior to the start of each school session. Scores on this test are intended only for students planning to begin their university studies at LSU Eunice. Prospective students who wish to take a residual ACT test should contact the LSUE Geaux Center (337-550-1208) for test dates and times. Residual test-takers will pay a \$45 fee at the Business Office, located in the Science Building adjacent to Room 115, immediately prior to the test. A picture ID, such as a driver's license, is required. Test-takers may use a calculator on the mathematics portion of the test.

For additional information concerning the ACT test, contact the LSUE Geaux Center at 337-550-1208 or visit the Geaux Center, located on the North side of the Acadian Center.

PATHWAYS TO SUCCESS PROGRAM

"[Pathways to Success](#)" is a program designed to enhance students' freshmen-year experience. Students participate in a one-year program of study focusing on college success skills, mathematics, and English. Students are notified by letter through the Office of Admissions and registered for classes by the Student Success Center. The Coordinator of Pathways to Success, along with faculty advisors, will be available during orientation. Orientation to LSU Eunice and to the program is mandatory. Students wishing to place out of the Pathways to Success program must take the ACT exam and obtain a composite score of 16 or higher prior to their first semester of attendance.

MATHEMATICS 0001 to 1015/1021 PLACEMENT ASSESSMENT

Mathematics assessments take place at each of the scheduled orientation dates. Students selecting to take the math assessment during registration for orientation have automatically reserved a seat. Walk-in students and students that did not select to take the math assessment during registration for orientation must arrive at the check-in time posted for math testing if they wish to be accommodated, which will be done on a first-come, first-served basis.

Any student with an ACT mathematics score of 18 or lower is encouraged to take a one-half hour assessment prior to the first semester of attendance. The purpose of the assessment is to validate the student's placement in MATH0001, or MATH0015/MATH0021. Students who score an 18 or less on the mathematics portion of the ACT and wish to remain in MATH 0001 need not take the test. Current cut scores are located [here](#).

Please note the following:

- Calculators are provided on the computer for selected mathematics problems during the assessment.
- Students may not bring their own calculator for the assessment.
- The assessment results have the ability to place students into MATH 0001, MATH 0015, MATH 0021, MATH 1015, MATH 1020 and MATH 1021.
- Students must present their LSU Eunice student ID or a picture ID and present an LSU Eunice student ID number as identification to take the assessment.
- Continuing students who have enrolled in a mathematics course in a prior semester are not eligible for this mathematics assessment.

Students with transfer credit may be exempt from the assessment. Students need to:

- Know their LSU Eunice ID number (LSU Eunice identification card is needed for verification).
- Arrive at least 15 minutes prior to the beginning of the test.
- Leave cell phones or calculators outside of the assessment room.
- Take assessment early; availability of math sections might be limited during the week prior to classes beginning.

ACCUPLACER scores are valid for five years from the date of assessment. New students may take the mathematics assessment free of charge the first time; however, there is a \$15 charge PER ASSESSMENT for students who wish

to retest within the five-year period. Students should pay the fee at the Business Office and then bring the receipt with them to the testing room. Students should note that a waiting period of one day (24 hours) is required prior to a retest being taken in any subject.

Upon the conclusion of the assessment, students are given a paper copy of their scores. LSU Eunice does not transfer assessment scores to other institutions of higher education. As a result, students are encouraged to keep their scores in a safe place.

Students may contact the Division of Sciences and Mathematics at (337) 550-1233 or the Office of Institutional Effectiveness at (337) 550-1433 for additional information. Sample questions may be found in the Developmental Education Assessment Section below. Students may review mathematics subject matter by using the [ACCUPLACER Student Information Web Page](#) or the [ACCUPLACER Student Preparation Page](#). Both pages contain information for obtaining study problems and the official ACCUPLACER Web-Based Study App.

DEVELOPMENTAL EDUCATION ASSESSMENT DAY

May 18, 2018

June 15, 2018

August 10, 2018

Students who scored a 17 or below on the English section and/or an 18 or below on the mathematics section of the ACT may participate in assessment testing to attempt to test out of their developmental education coursework. This service is offered once prior to each semester. Please note that this assessment applies to initial placement only. Continuing students who have taken a mathematics or English composition course may not use this assessment to test out of an English or mathematics course.

Students are required to have a valid LSU Eunice User Name (ID number) in order to take the test. Consequently, students should apply with the Admissions Office (337) 550-1305 and pay their application fee at least five business days prior to testing. Students will also be asked to present a LSU Eunice identification to verify their student ID number. Students need not pre-register for this test; instead, they should report to Manuel Hall Room 207 according to the schedule below. Students may take each assessment the first time at no cost. ACCUPLACER scores are valid for five years from the date of assessment. Students wishing to retest within the five-year period will be charged \$15 per assessment. The fee should be paid to the Business Office prior to the assessment being taken. A receipt will be used as proof of payment in the testing center.

Upon the conclusion of the assessment, students are given a paper copy of their scores. LSU Eunice does not transfer assessment scores to other institutions of higher education. As a result, students are encouraged to keep their scores in a safe place.

Students should contact the Office of Institutional Effectiveness at (337) 550-1433 if they have any questions. Calculators are included on the screen for selected mathematics assessment questions. Students may not bring calculators in the testing room.

Current cut scores for each subject area are located [here](#). Assessment scores are valid for five years from the date of assessment. Students should contact the Office of Developmental Education at (337) 550-1433 if they have any questions.

LATE CHALLENGE ASSESSMENT

New students or continuing students who have not begun their course sequence in mathematics, English composition, or reading have the opportunity to challenge their placement in:

- ENGL 0001
- MATH 0001, MATH 0015, or MATH 0021
- UNIV 0008

by taking an ACCUPLACER Challenge Assessment. Challenge Assessments are given at 2:00 PM on the first two days of the regular fall and spring semesters and on the first day of the summer 8-week session. Students wishing to challenge their placement in developmental English (ENGL 0001), developmental mathematics (MATH 0001, MATH 0015, or MATH 0021), or college reading (UNIV 0008) should report to Manuel Hall Room 207 at 1:45 PM for a prompt start time of 2:00 PM. New or continuing students who have not taken a course in English composition, mathematics, or college reading within the last 10 years may participate in this assessment. Continuing students that have, within the last 10 years, attempted an English composition, mathematics course, or college reading that appears on their transcripts are not eligible for the Late Challenge Assessment and will be placed in the appropriate courses based on previous course success. Students who are retesting will be charged a \$15 fee per assessment. For example, a new student who took the mathematics assessment at orientation and then wishes to challenge their placement on the first day of classes will be charged the \$15 fee for mathematics, but not for the English assessment since they had not previously taken the English assessment.

Upon the conclusion of the assessment, students are given a paper copy of their scores. LSU Eunice does not transfer assessment scores to other institutions of higher education. As a result, students are encouraged to keep their scores in a safe place.

Students may contact the Office of Institutional Effectiveness at 337-550-1433 for further information.

ACADEMIC BANKRUPTCY

Under specified conditions, undergraduate students who have interrupted their college careers for a period of at least three consecutive calendar years may declare academic bankruptcy. Under this policy, college-level work done at an earlier date is eliminated from computation of the grade-point average and cannot be applied toward a degree at LSU Eunice. Such work, however, will not be removed from students' scholastic records and transcripts. Students qualifying for academic bankruptcy are admitted on scholastic probation. Academic bankruptcy declared at any other institution will be evaluated on an individual basis upon the student's admission to LSU Eunice. Students may obtain details on this policy from the Dean of their academic department.

Transfer students meeting for the first time with an advisor should tell the advisor about their previous college record and ask if academic bankruptcy is a viable option.

V. FINANCIAL AID INFORMATION

LSU Eunice administers a broad program of financial aid including grants, loans, and employment to help deserving students who need financial assistance to attend the University. In order to apply for financial aid, you must complete the Free Application for Federal Student Aid (FAFSA). The application can be found at <http://www.fafsa.gov>. Students attending the Summer 2018 session will need to complete the 2017-2018 FAFSA. The priority deadline for summer is April 1, 2018. All supporting documents should be submitted well in advance of the priority deadline date to ensure a response to your application request and availability of funds at registration. Failure to do so may result in your having to pay all or most of your college expenses out of pocket. You can monitor your financial aid file progress and accept your award on-line through your myLSUE account.

Students who fail to begin attendance in all their courses by the 7th day for the summer session (or 3rd day for the B Term and C Term) may have their financial aid reduced or cancelled. **If you transfer from one school to another, your financial aid does not transfer with you.** To receive aid at LSU Eunice, check with the Financial Aid Office as soon as possible to find out what programs are available.

If for any reason financial aid for which you have applied is reduced or cancelled, you become responsible for covering the cost of the fees that the financial aid had previously covered. You will at no time be withdrawn from your classes automatically. If you fail to begin attending classes, **you will still owe all tuition and fees to the University, AND you will receive Fs for the courses you have signed up for, putting your ability to receive future financial aid awards in jeopardy.**

HARDSHIP WAIVERS

LSU Eunice, along with other state colleges and universities, was authorized by the Louisiana Legislature to raise tuition. LSU Eunice will consider appeals for waivers of payment of fee increases for students who meet the following criteria:

1. Is a Louisiana resident
2. Is a full-time student (6 or more hours for summer)
3. Has applied for, and been deemed eligible to receive, federal financial aid (i.e. grants, loans, etc.)
4. Total cost of tuition, fees, books, and supplies exceeds the total amount received in grants, student loans, scholarships and other types of financial assistance (i.e. VA, Acadiana Works, etc.)
4. The waiver cannot be used in connection with other scholarships that exempt the same fees
5. Students must also maintain satisfactory academic progress based on LSU Eunice scholastic regulations

You may apply for the waiver if you meet all of the above criteria and have special circumstances. Special circumstances are defined as extreme condition(s) that may warrant re-evaluation of a student's financial aid file. The circumstances must be different from what has already been reported on the Free Application for Federal Student Aid (FAFSA).

Applications for hardship waiver are available in the LSU Eunice Financial Aid Office. Please complete the hardship waiver application and submit with supporting documentation to the Office of Financial Aid by June 5, 2018. **No application will be accepted after the deadline.**

CLASS SELECTION INSTRUCTIONS

- New, re-entry, and transfer students:**
 - Prior to registering, you may need to go to the Office of Enrollment Management (Geaux Center-Room 117 in the Acadian Center) if there is a problem with your immunization records. Students with outstanding debts will have to settle their accounts with the Office of Business Affairs (Science Building Room 115) prior to registration.
 - The time at which you can begin accessing the registration system is listed as N/T/R students.
- Continuing Students:** Complete a [Trial Schedule Worksheet](#) and take it to a faculty advisor during the advising period. All students must meet with an advisor prior to registering. Make an appointment to see an academic advisor as soon as possible to review your schedule and obtain clearance to register.
- The time at which you can begin accessing the registration system is based on the total number of credit hours you have already earned, plus the credit hours in which you are currently enrolled. Your number of earned credit hours is listed in the table at the bottom of your transcript available on your myLSUE page.
- To use the myLSUE system for registration, you must have your user name and password. Current students should already have a copy of their user name and password. If you did not receive or misplaced this information, you can contact the Office of Information Technology (Community Education Building Room 204) at 337-550-1307 or it@lsue.edu. Some form of photo identification (such as a student ID card or driver’s license) is required.
- After selecting your classes in myLSUE, print out your “Course and Fee Statement” found in myLSUE. No fee statements will be mailed to students. Students are advised to recheck their class schedule on myLSUE prior to the start of classes for cancellations, room changes, or time changes.

6. Verify your “Course and Fee Statement” carefully for accuracy prior to paying your fees.

REGISTRATION FEE PAYMENT PROCEDURE

After you have selected your classes for the term, you must clear your fees with the Office of Business Affairs. “Clearing your fees” means that you have paid enough of your fees (including tuition) to allow you to attend class either for the whole semester or until the next payment deadline. Please clear your fees according to the dates and times listed above. **You are not considered registered until your fees have been cleared. Students not clearing their fees by the published deadline will have their schedules canceled** and must complete the late registration process if they wish to be registered. Fees may be cleared in one or more of the following ways:

Log in to your myLSUE account, click on the Pay Fees tab, and apply any financial aid you have been awarded.

1. Log in to your myLSUE account, click on the Pay Fees tab, and pay your tuition and fees online. You may pay with your checking account information. Although payments will be routed through PayPal, you do **not** need to have a PayPal account to pay tuition and fees.
2. Go to the Office of Business Affairs (Science Building Room 115) and complete fee payment with cash, check, money order or by applying financial aid, a fee exemption, or a Business Office deferment.
3. Sign up for a payment plan option under your myLSUE account.
4. You may mail your payment in the form of a check or a money order to the following address: LSUE • Office of Business Affairs • P.O. Box 1129 • Eunice, LA 70535. **Do not mail cash!**

A WORD ABOUT FINANCIAL AID AND FEE PAYMENT

A student who has a fee statement with financial aid and/or scholarships listed may use the fee statement to financially clear their account up to the amount of aid listed. The aid must be awarded **and** applied on the fee statement. Students can go online to their myLSUE account under the Pay Fees tab and click on the apply aid button. Otherwise, students must present the signed permission statement to the Office of Business Affairs during the fee payment period. If the aid listed does not cover the entire charges, the student must submit the difference to the Office of Business Affairs for full financial clearance. **ONLY** an original fee statement and student’s signature are accepted (no copies or faxes). Hours of operation are 8:00 AM – 4:30 PM each day.

If for any reason the financial aid that you have applied is reduced or cancelled, you become responsible for covering the cost of the fees that the financial aid had previously covered. You will not be withdrawn from your classes automatically. **If you fail to begin attending classes and you owe a balance, you will still owe all tuition and fees to the University. You will receive Ws on your transcript if you resign, putting your ability to receive future financial aid awards in peril if you resign. If you fail to begin attending classes and you do NOT owe a balance, you will NOT be withdrawn from your classes and you will receive Fs in your registered classes, again putting your ability to receive future financial aid awards in jeopardy.**

IX. FAQ

1. Who can take part in online class registration?

Current students and N/T/R students who have completed the application process will be able to register online using myLSUE. Before students can register, they must first meet with a faculty advisor to discuss scheduling and to receive registration clearance. Students use their Username and Password to login on to myLSUE. If you need assistance, please contact the Office of Information Technology (Community Education Building Room 204 or 337-550-1307).

2. Will all N/T/R students be able to register online?

To be able to register online, N/T/R students must have a current application on file and comply with immunization requirements.

3. When can students register by computer?

Students whose admission files are provisional or complete can take part in early registration. Current students can register beginning **March 19, 2018**, based on the number of earned college credit hours plus the hours for which the student is currently registered this spring. Students can find out their number of earned credit hours using myLSUE to view their college transcript. The number of earned credit hours is included in a table at the bottom of the transcript. If you try to access the system prior to the time listed in the schedule, the system will not allow you to register.

4. If my admission file is incomplete or I owe LSU Eunice money from a previous semester, will my registration be blocked?

In most cases, the computer registration system will allow you to register if you are an applicant whose admission file is not yet complete. If you currently owe money to LSU Eunice, the computer registration system will not allow you to register. The system will tell you the type of hold placed on your registration. Contact LSU Eunice to clear up the problem with the appropriate office.

5. Once classes start, can I add or drop classes using the myLSUE registration system?

Yes, you can use myLSUE to add or drop classes. The system will follow the deadlines published in this Registration Guide and in the [LSU Eunice Catalog](#). After the published deadlines, you will not be able to add classes. You will still be able to use the system to drop classes. **Before adding or dropping, you should consult with an academic advisor.** Ultimately, it is your responsibility to make sure that your course schedule meets your needs. Your schedule should fit the requirements of your curriculum, whether you are enrolled in an LSU Eunice program or you are taking courses that you will transfer to another college. When you drop classes, you should be aware of financial aid requirements for satisfactory academic progress (SAP). You may fail to meet those requirements if you do not complete a sufficient number of the courses in which you initially enrolled.

6. Can I resign from all of my classes using the myLSUE computer system?

If it is prior to the first day of classes, yes. Otherwise, you will need to report to or contact the Office of the Registrar at (337) 550-1302.

X. VETERANS AFFAIRS
