LSUE Spring Intersession 2023 Registration Guide

I. INTRODUCTION

This Registration Guide is neither a contract nor an offer to contract. LSU Eunice reserves all rights to make adjustments and changes as it deems necessary without prior notice. The University reserves the right to cancel any courses in which there is not sufficient enrollment. Should a class be canceled after you enroll, you may add another course during the late registration/schedule adjustment period at the beginning of the term without penalty. If you have no alternate course preferences, you will receive a full tuition refund. Allow six to eight weeks to receive the refund.

REGISTRATION GUIDE PROVIDES VITAL INFORMATION

Other than the Academic Catalog, your Registration Guide may be the single greatest piece of resource material available to you. While the Catalog tells you everything in general about LSU Eunice, the Registration Guide tells you “everything you need to know but are afraid to ask” about the fall semester. Look over the Registration Guide carefully, print out a copy, and be sure to bring it with you for advising and registration. In order to be considered a registered student, all persons must 1) meet with an advisor, 2) schedule classes, and 3) clear fees. Until all three steps are successfully completed, persons are not considered registered for classes.

MEET WITH YOUR ADVISOR BEFORE REGISTRATION

All students are strongly encouraged to meet with an academic advisor before registration begins. Academic advising is more than just a time to schedule next semester’s classes; it is a decision-making process in which you not only receive clearance for registration, but also obtain advice on your long-term plans for the future.

If you are a new, re-entry, or transfer student and need to attend orientation, you will meet with an advisor during orientation. If you are unable to meet with an advisor during orientation, you will need to schedule an appointment with an advisor prior to registering.
II. ADMISSION TO LSU EUNICE

To apply online for admission to LSU Eunice, visit the web site at https://www.lsue.edu/apply. Once the application is complete online, applicants will pay a $25 application fee or have the fee charged when he/she schedules classes for the semester. The fee can be paid online using a credit card, or by check or money order mailed to: LSU Eunice • Office of Business Affairs • P.O. Box 1129 • Eunice, LA 70535.

III. ORIENTATION/REGISTRATION

Orientation/Registration offers incoming students a chance to learn about the University and meet with staff from key campus departments. It helps ease the transition into college life by providing vital information and opportunities for interaction with students, faculty, and staff.

Orientation is mandatory for all students who have earned fewer than 12 non-dual enrollment semester hours. Students re-applying to LSUE may be required to attend orientation even if they have more than 12 semester hours if they have a signed Pathways to Success Contract on file in the Student Success Center. Upon admittance to LSU Eunice, students may register online for Orientation/Registration. There is a $30 orientation fee. Check-in on orientation day will be at the Acadian Center. For more information, please call (888) 367-5783 ext. 208, or locally (337) 550-1208.

Immunization Policy

In compliance with state law, LSU Eunice has adopted an immunization policy to protect students, faculty, and staff from outbreaks of measles, mumps, rubella, tetanus, and diphtheria for all students born after 1956 as well as meningitis and COVID-19 for all first time freshmen and those students living on campus.

Students will not be allowed to complete registration or to attend scheduled classes unless they have furnished proof that they have satisfied this additional immunization requirement. That requirement can be met either by furnishing proof of immunity or by signing a waiver claiming exemption from the immunization policy. These options are described below.

Proof of Immunization: The state of Louisiana requires all students born after 1956 and attending state colleges and universities to furnish proof of the following immunizations: 2 doses of measles vaccine, at least 1 dose of each rubella (German Measles) and
mumps vaccine, a tetanus-diphtheria booster and COVID-19 vaccine.

**Measles Requirement:** 2 doses of live vaccine given at any age, except that the vaccine must have been given on or after the first birthday in 1968 or later, and without immune Globulin. A 2nd dose of measles vaccine must meet this same requirement, but should not have been given within 30 days of the first dose. A history of physician diagnosed measles is acceptable for establishing immunity, but must be documented by the diagnosing physician. Note: Blood titer tests which confirm positive antibody levels to both types of measles are also acceptable evidence of immunity. Practically speaking, immunization is preferable to blood testing because of the relative cost and time.

**Tetanus-Diphtheria Requirement:** A booster dose of vaccine given within the past 10 years. Students can be considered to have completed a primary series earlier in life, unless they state otherwise.

Your proof of immunization must be a signed record (see the reverse side) from a physician, public health clinic, or other health care provider giving the status of immunization or occurrence of disease or the results of a serologic test proving immunity. A copy of a “shot” record provided by a clinic or health care provider is satisfactory. The required proof must be submitted to the LSU Eunice, Admissions, P.O. Box 1129, Eunice, LA 70535.

**Waiver from Immunization Requirement.** You may claim exemption for medical, personal, or religious reasons or a shortage of vaccine for meningitis and COVID-19. If you have a medical reason for not being immunized, you may submit evidence from your physician and the requirement will be waived. You may also claim exemption from the immunization requirement for personal or religious reasons. If you are not 18 years of age, a request for exemption must be signed by a parent or legal guardian. Persons who sign a waiver will be permitted to complete the registration process Proof/Waiver of Immunization Form. However, if you claim exemption from the immunization requirement, the university will require you to leave the campus and will exclude you from class in the event of an outbreak of measles, mumps, rubella, tetanus, diphtheria, meningitis, or COVID-19. You will not be permitted back on campus until the outbreak is over or until you submit proof of adequate immunization. In addition, we warn you that as a result of your refusal to receive immunization for meningitis or COVID-19, if you contract one of these diseases, you may experience severe consequences which include death or permanent disabilities such as limb amputation, severe scarring, brain damage, and hearing loss.

**REQUIRED MENINGITIS IMMUNIZATION**

Louisiana law requires all students entering any university for the first time, all students living on campus, and all transfer students to be immunized against meningitis unless a waiver is signed. Meningitis is a potentially fatal infection. When it strikes, its flu-like symptoms make diagnosis difficult. To learn more about meningitis, its symptoms, and its effects, read the information found here.

First-time students, transfer students, or a student living on campus, should (1) submit proof of inoculation for meningitis or (2) provide a signed waiver. For students under the age of 18, a parent or guardian must also sign the waiver. This process must be completed before you are eligible to register for classes. Please send the appropriate
documents as soon as possible to the following address so you may enroll in classes:
LSU Eunice • Geaux Center (Room 117 in Acadian Center) •
P.O. Box 1129 • Eunice, LA 70535.

TUBERCULOSIS TESTING

Tuberculin skin testing is required for all students who may be at risk for TB infection or disease, as defined by the American College Health Association guidelines. Categories of high risk students are listed on the LSU Eunice immunization form, and include students who have lived or traveled to certain countries/areas of the world (see Proof of Immunization Compliance form), students who have been in close contact with someone with TB, students with a history of alcoholism or IV drug use, students taking immunosuppressive medications, and those who have resided, worked, or volunteered in a prison, homeless shelter, hospital, nursing home, or other long-term treatment facility.

OFFICE OF DISABILITY SERVICES

LSUE remains strongly committed to providing appropriate accommodations for students with disabilities. The Office of Disability Services (ODS) works to offer individualized services to ensure that all students have equal access to learn and succeed at LSUE. To receive accommodations, students must have their physicians or qualified professionals complete forms regarding their disabilities. ODS encourages students to complete the accommodations registration process at least one month before classes begin to ensure that services are in place in a timely fashion. Forms and information are located on the LSUE website at www.lsue.edu/ods. For assistance, contact the office at ods@lsue.edu or 337-550-1206.

ACADEMIC POLICIES

For information concerning resigning from the University, requesting an "I" (grade of Incomplete), repeating a course, academic bankruptcy, or other academic policies, please consult the appropriate section of Academic Catalog.

TRANSFER COURSE AGREEMENTS

LSU Eunice has written transfer agreements with the University of Louisiana at Lafayette and McNeese State University specifying which LSU Eunice courses are equivalent to courses at those institutions. Check with an advisor for details. Most LSU Eunice course numbers parallel the course numbers in the catalog of LSU A&M.

For additional information on transfer credit, check the Louisiana Board of Regents Data & Publications’ Master Course Articulation Matrix (transfer guide). This matrix indicates transfer equivalencies of courses among Louisiana’s public colleges and universities. The listing of courses in the matrices is not all-inclusive. There are courses that articulate between campuses that are not listed in the matrices. Students who want more information about the transferability of courses for academic credit in general or credit
toward a specific degree program should contact the appropriate member of the statewide articulation council or the Registrar's Office.

**VI. FAQ**

1. **Who can take part in online class registration?**
   Current students and New/Transferring/Reentry (N/T/R) students who have completed the application process will be able to register online using myLSUE. Before students can register, they must first meet with a faculty advisor to discuss scheduling and to receive registration clearance. Students use their Username and Password to login on to myLSUE. If you need assistance, please contact the Office of Information Technology (Community Education Building Room 204 or 337-550-1307).

2. **Will all New/Transfer/Reentry students be able to register online?**
   To be able to register online, N/T/R students must have a current application on file and comply with immunization requirements.

3. **When can students register by computer?**
   Students whose admission files are provisional or complete can take part in early registration. Current students can register beginning March 27, 2023, based on the number of earned college credit hours plus the hours for which the student is currently registered this spring. Students can find out their number of earned credit
hours using myLSUE to view their college transcript. The number of earned credit hours is included in a table at the bottom of the transcript. If you try to access the system prior to the time listed in the schedule, the system will not allow you to register.

4. **If my admission file is incomplete or I owe LSU Eunice money from a previous semester, will my registration be blocked?**
   In most cases, the computer registration system will allow you to register if you are an applicant whose admission file is not yet complete. If you currently owe money to LSU Eunice, the computer registration system will not allow you to register. The system will tell you the type of hold placed on your registration. Contact LSU Eunice to clear up the problem with the appropriate office.

5. **Once classes start, can I add or drop classes using the myLSUE registration system?** Yes, you can use myLSUE to add or drop classes. The system will follow the deadlines published in this Registration Guide and in the LSU Eunice Catalog. After the published deadlines, you will not be able to add classes. You will still be able to use the system to drop classes. **Before adding or dropping, you should consult with an academic advisor.** Ultimately, it is your responsibility to make sure that your course schedule meets your needs. Your schedule should fit the requirements of your curriculum, whether you are enrolled in an LSU Eunice program or you are taking courses that you will transfer to another college. When you drop classes, you should be aware of financial aid requirements for satisfactory academic progress (SAP). You may fail to meet those requirements if you do not complete a sufficient number of the courses in which you initially enrolled.

6. **Can I resign from all of my classes using the myLSUE computer system?** If it is prior to the first day of classes, yes. Otherwise, you will need to report to or contact the Office of the Registrar at (337) 550-1302.

**VII. VETERANS AFFAIRS**
