I. Introduction

This Registration Guide is neither a contract nor an offer to contract. LSU Eunice reserves all rights to make adjustments and changes as it deems necessary without prior notice. The University reserves the right to cancel any courses in which there is not sufficient enrollment. Should a class be canceled after you enroll, you may add another course during the late registration/schedule adjustment period at the beginning of the term without penalty. If you have no alternate course preferences, you will receive a full tuition refund. Allow six to eight weeks to receive the refund.

Registration Guide Provides Vital Information

Other than the Academic Catalog, your Registration Guide may be the single greatest piece of resource material available to you. While the Catalog tells you everything in general about LSU Eunice, the Registration Guide tells you “everything you need to know but are afraid to ask” about the spring semester. Look over the Registration Guide carefully, print out a copy, and be sure to bring it with you for advising and registration. **In order to be considered a registered student, all persons must 1) meet with an advisor, 2) schedule classes, and 3) clear fees. Until all three steps are successfully completed, persons are not considered registered for classes.**

Meet With Your Advisor Before Registration

All students are strongly encouraged to meet with an academic advisor before registration begins. Academic advising is more than just a time to schedule next semester’s classes; it is a decision-making process in which you not only receive clearance for registration, but also obtain advice on your long-term plans for the future.

If you are a new, re-entry, or transfer student and need to attend orientation, you will meet with an advisor during orientation. If you are unable to meet with an advisor during orientation, you will need to schedule an appointment with an advisor prior to registering.
II. Admission to LSU Eunice

To apply online for admission to LSU Eunice, visit the web site at https://www.lsue.edu/apply. Once the application is complete online, applicants will pay a $25 application fee or have the fee charged when he/she schedules classes for the semester. The fee can be paid online using a credit card, or by check or money order mailed to: LSU Eunice • Office of Business Affairs • P.O. Box 1129 • Eunice, LA 70535.

III. Orientation/Registration

Orientation/Registration offers incoming students a chance to learn about the University and meet with staff from key campus departments. It helps ease the transition into college life by providing vital information and opportunities for interaction with students, faculty, and staff.

Orientation is mandatory for all students who have earned fewer than 12 non-dual enrollment semester hours. Students re-applying to LSUE may be required to attend orientation even if they have more than 12 semester hours if they have a signed Contract for Success on file in the Student Success Center. Upon being admitted to LSU Eunice, students may register online for Orientation/Registration. There is a $30 orientation fee. Check-in on orientation day will be at the Acadian Center. For more information, please call (888) 367-5783 ext. 208, or locally (337) 550-1208.

Orientation Schedule for Winter Intersession 2023

• Orientation for students will be virtual.

Proof of Immunization

Louisiana law requires that all first-time LSUE students who were born after on or after January 1, 1957 provide proof of immunization against measles, mumps, rubella, and tetanus-diphtheria prior to registration for the initial term of enrollment. Proof of immunization is a written statement from a physician, public health clinic, or other health care provider stating the dates of immunization or occurrence of disease, or date and result of antibody titers. Students returning to LSU Eunice after an absence of a semester or more shall be considered to be enrolling for the first time for purposes of this policy. New students who have not provided this proof are given a Proof/Waiver of Immunization Form at the time of orientation. Requests for waivers for exemption because of religious or other personal reasons may be signed by the student (or by a
parent or legal guardian if the student is not yet 18 years of age). The form should be completed and returned to LSU Eunice
• Geaux Center (Room 117 in Acadian Center) • P.O. Box 1129 • Eunice, LA 70535.

Students who elect exemption from the immunization requirements for medical, religious, or other personal reasons, and
students who have not provided proof of adequate immunization or immunity for any other reason assume all risk and may,
at the discretion of the Chancellor, be required to leave the campus in the event of an outbreak of measles, mumps or
rubella and may be required to remain away from campus until the appropriate incubation period of the disease has expired.
An outbreak is defined as one case of measles and numbers of cases of mumps and rubella, as defined by the Louisiana
State Health Officer. Students not immunized may avoid exclusion from the campus by obtaining immunization and
furnishing proof thereof.

**Required Meningitis Immunization**

Louisiana law requires all students entering any university for the first time, all students living on campus, and all transfer
students to be immunized against meningitis unless a waiver is signed. Meningitis is a potentially fatal infection. When it
strikes, its flu-like symptoms make diagnosis difficult. To learn more about meningitis, its symptoms, and its effects, read
the information found [here](#).

First-time students, transfer students, or a student living on campus, should (1) submit proof of inoculation for meningitis or
(2) provide a signed waiver. For students under the age of 18, a parent or guardian must also sign the waiver. This process
must be completed before you are eligible to register for classes. Please send the appropriate documents as soon as
possible to the following address so you may enroll in classes: LSU Eunice • Geaux Center (Room 117 in Acadian Center)
• P.O. Box 1129 • Eunice, LA 70535.

**Tuberculosis Testing**

Tuberculin skin testing is required for all students who may be at risk for TB infection or disease, as defined by the American
College Health Association guidelines. Categories of high risk students are listed on the LSU Eunice immunization form,
and include students who have lived or traveled to certain countries/areas of the world (see Proof of Immunization
Compliance form), students who have been in close contact with someone with TB, students with a history of alcoholism or
IV drug use, students taking immunosuppressive medications, and those who have resided, worked, or volunteered in a
prison, homeless shelter, hospital, nursing home, or other long-term treatment facility.
Office of Disability Services

LSUE remains strongly committed to providing appropriate accommodations for students with disabilities. The Office of Disability Services (ODS) works to offer individualized services to ensure that all students have equal access to learn and succeed at LSUE. To receive accommodations, students must have their physicians or qualified professionals complete forms regarding their disabilities. ODS encourages students to complete the accommodations registration process at least one month before classes begin to ensure that services are in place in a timely fashion. Forms and information are located on the LSUE website at www.lsue.edu/ods. For assistance, contact the office at ods@lsue.edu or 337-550-1206.

IV. Academic Policies

For information concerning resigning from the University, requesting an “I” (grade of Incomplete), repeating a course, academic bankruptcy, or other academic policies, please consult the appropriate section of Academic Catalog.

Academic Bankruptcy

Under specified conditions, undergraduate students who have interrupted their college careers for a period of at least three consecutive calendar years may declare academic bankruptcy. Under this policy, college-level work done at an earlier date is eliminated from computation of the grade-point average and cannot be applied toward a degree at LSU Eunice. Such work, however, will not be removed from students’ scholastic records and transcripts. Students qualifying for academic bankruptcy are admitted on scholastic probation. Academic bankruptcy declared at any other institution will be evaluated on an individual basis upon the student’s admission to LSU Eunice. Students may obtain details on this policy from the Dean of their academic department.

Transfer students meeting for the first time with an advisor should tell the advisor about their previous college record and ask if academic bankruptcy is a viable option.

Transfer Course Agreements
LSU Eunice has written transfer agreements with the University of Louisiana at Lafayette and McNeese State University specifying which LSU Eunice courses are equivalent to courses at those institutions. Check with an advisor for details. Most LSU Eunice course numbers parallel the course numbers in the catalog of LSU A&M.

For additional information on transfer credit, check the Louisiana Board of Regents Data & Publications' Master Course Articulation Matrix (transfer guide). This matrix indicates transfer equivalencies of courses among Louisiana’s public colleges and universities. The listing of courses in the matrices is not all-inclusive. There are courses that articulate between campuses that are not listed in the matrices. Students who want more information about the transferability of courses for academic credit in general or credit toward a specific degree program should contact the appropriate member of the statewide articulation council or the Registrar’s Office.

**American College Test (ACT)**

The American College Test (ACT) Assessment Program, or its equivalent, provides relevant and timely information to assist students and LSU Eunice in making educational plans and decisions wisely. Administered by the Office of Student Affairs, LSU Eunice uses the ACT Assessment Program to place students in their initial courses based on the Louisiana Board of Regents guidelines.

The ACT Assessments, covering the subject areas of English, mathematics, reading, and science reasoning, are designed to assess general educational development. These scores are used for placement in English, mathematics, biology, and chemistry classes. ACT Scores older than five years will not be used for placement. Special testing arrangements can be made for individuals with mental or physical disabilities.

The ACT Assessment and the ACT Residual tests are administered annually on the LSU Eunice campus. Students should note that scores from the ACT Residual taken at LSU Eunice may not be used by some colleges for eligibility or placement purposes. Students should check with their transfer institution about their admissions rules and procedures.

There is a charge for the ACT Assessment. Students should contact the Office of Student Affairs at 337-550-1218 stuaff@lsue.edu for further information.

IX. FAQ

1. **Who can take part in online class registration?**
   Current students and New/Transfer/Reentry (N/T/R) students who have completed the application process will be able to register online using myLSUE. Before students can register, they must first meet with a faculty advisor to discuss scheduling and to receive registration clearance. Students use their Username and Password to login on to myLSUE. If you need assistance, please contact the Office of Information Technology (Community Education Building Room 204 or 337-550-1307).

2. **Will all New/Transfer/Reentry students be able to register online?**
   To be able to register online, N/T/R students must have a current application on file and comply with immunization requirements.

3. **When can students register by computer?**
   Students whose admission files are provisional or complete can take part in early registration. Current students can register beginning **October 23, 2023**, based on the number of earned college credit hours plus the hours for
which the student is currently registered this spring. Students can find out their number of earned credit hours using myLSUE to view their college transcript. The number of earned credit hours is included in a table at the bottom of the transcript. If you try to access the system prior to the time listed in the schedule, the system will not allow you to register.

4. **If my admission file is incomplete or I owe LSU Eunice money from a previous semester, will my registration be blocked?**

   In most cases, the computer registration system will allow you to register if you are an applicant whose admission file is not yet complete. If you currently owe money to LSU Eunice, the computer registration system will not allow you to register. The system will tell you the type of hold placed on your registration. Contact LSU Eunice to clear up the problem with the appropriate office.

5. **Once classes start, can I add or drop classes using the myLSUE registration system?** Yes, you can use myLSUE to add or drop classes. The system will follow the deadlines published in this Registration Guide and in the LSU Eunice Catalog. After the published deadlines, you will not be able to add classes. You will still be able to use the system to drop classes. **Before adding or dropping, you should consult with an academic advisor.** Ultimately, it is your responsibility to make sure that your course schedule meets your needs. Your schedule should fit the requirements of your curriculum, whether you are enrolled in an LSU Eunice program or you are taking courses that you will transfer to another college. When you drop classes, you should be aware of financial aid requirements for satisfactory academic progress (SAP). You may fail to meet those requirements if you do not complete a sufficient number of the courses in which you initially enrolled.

6. **Can I resign from all of my classes using the myLSUE computer system?**

   If it is prior to the first day of classes, yes. Otherwise, you will need to report to or contact the Office of the Registrar at (337) 550-1302.
