**SUMMER 2026 RC PROGRAM APPLICATION  
FORM (FA26-FA27 RC Class)**

**RESPIRATORY CARE SELECTION PROCESS ORIENTATION SUMMARY 2025**

I have been found that:

1. I am required to follow all instructions and policies listed on the Respiratory Care application. Failure to do so will result in the cancellation of my application.
2. In order to be considered by the Selection Committee, I must have applied to and been accepted by LSUE.
3. I must have academic records from the current semester in the LSUE Health Sciences and Business Technology, Public Protection and Safety prior to the meeting of the Selection Committee or my application will be considered incomplete.
4. Selection to the Respiratory Care Program is competitive and I have read the selection criteria.
5. I have been made aware of the student conduct and ethics policies.
6. I am responsible for all travel associated with laboratory and clinical practice.
7. I may be assigned to any clinical agency affiliated with the program depending on your cohort.
8. I must comply with requirements for specific immunizations and physical examination including a background check and drug screening.
9. I am aware that I must meet certain physical/technical standards to practice in the field of Respiratory Care.
10. I must provide evidence of having successfully completed CPR for Health Care Providers before I will be permitted to begin clinical rotations. I acknowledge that I am responsible for locating and scheduling CPR certification.
11. I may obtain financial assistance from the Office of Financial Aid.
12. Successful completion of the LSUE Respiratory Care program will qualify me to that the Therapist Multiple-Choice Examination and the Clinical Simulation Examination both administered by the National Board for Respiratory Care.
13. I have been informed of the possible health risk of prenatal exposure to ionizing radiation. I understand I may review the Pregnancy Policy upon request.
14. In the rare event, a contract is supplied for those student(s) who have a remaining pre-req(s), the student will comply to all requests involved to fulfill the program's requirements to meet the qualifications to receive an Associate of Science degree in Respiratory Care.
