LSUE

LSUE DUAL ENROLLMENT STUDENTS

All students have been sent a letter from Admissions with **your username and password**. Please do not lose this very important information. If you should lose your username and password, please contact the Office of Information Technology at 337-550-1307.

The first time you, as the student logs in, **NO CLASSES** will be shown. You will see **“Currently, you are not enrolled in any courses”**. As per OIT, to help clear up some confusion regarding course schedules in myLSUE and myCourses, please be aware that these two systems do not synchronize in real time. Every day a script runs on the myCourses server that will sync the course schedules for every student between the two. What this means is that if a student were to add/drop a course today, this change will not be reflected in myCourses until the next scheduled time the script runs. **Currently the myCourses sync script runs at 7AM, 2PM and 7PM every day.**

Excessive absences may result in a referral to the Student Success Center and will result in an Academic Alert. Academic Alerts are forwarded to the Director of Academy and DE, school officials, and district supervisors.

Parking

Registering Your Vehicle

To park and operate a motor vehicle on campus, students must register their vehicles on their myLSUE accounts. Students are held responsible for knowing and obeying campus traffic regulations, which are outlined below.

Steps for registering your vehicle on myLSUE:

1. Log into your myLSUE account;
2. Select “Student Services” tab; then
3. Enter your vehicle information.

Receiving your Parking Permit

After you have registered your vehicle online, you may pick up your permit/decals in the LSUE Police and Security Office during the hours of 8:00am – 4:30pm, Monday through Friday. The office is located in the MX2 modular building behind Manuel Hall. Make sure to put the decal on the bottom **left-hand** corner of your **rear windshield** immediately to avoid receiving a parking citation.

Paying for your Parking Permit

Immediately after receiving your parking permit, you must make a payment of \$30 online on your myLSUE account or in person at the Business Office.

Traffic and Parking Regulations

Parking decals must be placed on the left of the rear windshield affixed on the outside of the glass. Pedestrians always have the right of way on campus streets and parking areas. Unless a different limit is posted, the speed limit is 15 mph on all campus streets and 10 mph in parking areas. Vehicles must be centered in marked parking spaces and **must not be backed into parking spaces**. Backing into a space or pulling across to an opposite space leaves the parked vehicle illegally facing against the flow of traffic and prevents Police and Security Officers from being able to easily read decals. Vehicles must be registered by the end of the first full week of classes with decals that are valid from the date the car is registered until the following August 15. Vehicles must follow established traffic routes, stop at all stop signs, and obey all other traffic regulations. Vehicles must be parked in spaces designated specifically for the associated parking permit. Vehicles improperly parked in faculty/staff spaces, designated handicapped spaces, loading zones, fire lanes, or other improper spaces will be ticketed and/or towed at the owner’s expense. Parking and traffic tickets may be appealed in the Office of Student Affairs.

Registrar's Office

Filing for an "I" grade

Work, which because of circumstances beyond the student's control, is incomplete, may be marked "I" (incomplete) with the appropriate dean's office permission.

"I" grades are only considered for approval when an extraordinary situation occurs at or after the university's deadline to resign for the semester, as specified in the Academic Calendar. In addition, the student must have completed at least 75% of course requirements, including homework, exams, submissions, or any other graded material, regardless of course modality. Under normal circumstances, the request for an "I" grade must be made prior to the final examination date for the course in which the "I" grade is being requested. It is the student's responsibility to promptly notify an authorized representative of their academic dean's office and provide appropriate documentation to support the "I" grade request. An approved "I" grade allows the student to make up coursework that was missed due to the extenuating documented circumstances. An "I" grade is given only upon receipt by the instructor of appropriate authorization from the student's academic dean's office. If authorization is not received, the instructor is to consider that the delinquent work is of failing quality, and an "I" grade is not to be given. A grade of "I" will be converted to "F" unless it is removed prior to the final date for resigning without a "W" in the next semester or session, excluding intersession, as published in the Academic Calendar. In extraordinary cases, the Chancellor may authorize that the "I" grade become permanent or may authorize an extension of time for removing the grade. A student may not repeat a course for which the LSU Eunice's grade of record is an "I."

Student must complete an "I" Grade Request form. Contact the LSUE Director of Academy and Dual Enrollment for a form and instructions.

Grade Appeal Procedure

If you believe you received a different grade than the grade you earned as outlined by the grading system in the course syllabus and the established grading system, you can file an appeal of that final grade. Grade appeals must be initiated by the student within 30 days after the beginning of the next regular semester. For support and guidance on how to file a grade appeal, contact the Office of Student Affairs.

College Graduation

LSU Eunice students who believe they are close to meeting the requirements for a degree should meet with their advisor or division head the semester before graduation to make sure they are on track to complete a degree. Students must complete the following instructions:

1. Print and fill out the [Application for Degree/Certification](#).
2. Bring the Application for Degree/Certification form and payment for the graduation fee to the Business Office by the deadline listed in the most recent [Registration Guide](#).

Official Transcript Requests

There are three ways of submitting a request for an LSU Eunice transcript. Please choose one of the following:

- **myLSUE**
 - If you have a user ID and PIN for your myLSUE account, you can print out an unofficial transcript or order an official transcript online through the "Transcript" tab.
 - When you click "Pay Now" from within myLSUE, you will be transferred to Paypal to submit your payment. Note: If you receive a message saying Paypal is down, please right click on the webpage and select "reload" or "refresh". This should rectify the problem.
- **LSUE Business Office**
 - Pay in person at the LSU Eunice Business Office and bring your receipt, along with a completed Transcript Request Form, to the Office of the Registrar.
- **Mail-In Payment**
 - Payment can also be mailed in the form of check or money order. Mailed payments should be written to the order of "LSUE" and sent to P.O. Box 1129, Eunice, LA 70535 (Attn: Business Office). Mail the transcript request form with the payment.

Although we strive to process requests as soon as possible, please allow up to 2-3 business days to complete your transcript request. If there are questions relating to payment, please contact the LSUE Business Office at 337-550-1262. For other questions, contact the LSUE Registrar's Office at 337-550-1302.

Transfer Course Agreements

LSUE has written transfer agreements with Northwestern State University, the University of Louisiana at Lafayette, and McNeese State University specifying which LSUE courses are equivalent to courses at those institutions. Check with your advisor for details. Most LSUE course numbers parallel the course numbers in the catalog of LSU A&M. For additional information on transfer credit, check the Louisiana Board of Regents Data & Publications' Master Course Articulation Matrix AY2015-2016 (transfer guide). This matrix indicates transfer equivalencies of courses among Louisiana's public colleges and universities. The listing of courses in the matrices is not all-inclusive. There are courses that articulate between campuses that are not listed in the matrices. Students who want more information about the transferability of courses for academic credit in general or credit toward a specific degree program should contact the appropriate member of the statewide articulation council as listed at this link or the Registrar's Office.

Online Learning

About LSUE Online Learning

LSUE is committed to providing the same quality of education and support to online courses and online degree programs as is provided to the face-to-face courses and programs. This includes the same quality of course content, faculty instruction, and access to resources, including IT support, library resources/databases, financial aid, tutoring, disability accommodations, academic advising, and more.

View the “Academic Programs of Study” section of this handbook to see which programs are offered 100% online to learn how you can earn a degree or certificate without having to step onto the Eunice campus.

myCourses

MyCourses (also called “Moodle”) is the online platform that hosts all of the courses that you will take as an online student, including syllabi, assignments, grades, instructor contact information, forums, and more. To access myCourses, go to www.lsu.edu/ and click on “myCourses” on the top left. Then, enter your myLSUE login credentials, and click “Log in.” You can also access myCourses through your myLSUE account.

About ProctorU

Identity verification services and exam proctoring for online courses are provided by ProctorU. Students should expect to pay individual fees per exam. Exact charges will vary depending on the length and number of proctored exams per course. Check syllabus for details. Access cards for Proctor U may be purchased in the LSUE Bookstore. Students are encouraged to register for these exams early to ensure lower costs for proctoring.

Testing Center

Students may schedule proctored exams with the LSUE testing center. Students are encouraged to schedule tests in advance to ensure availability. Students must register online for proctor services through the LSUE Testing Center website.

Online Conduct

All students are expected to read the Code of Student Conduct. However, students enrolled in online classes should become very familiar with the academic misconduct section of the Code of Student Conduct section, particularly the violations that frequently occur online, such as theft, disrespect, and dishonesty. In short, do not cheat; make sure your work is your own; and be respectful and courteous when communicating with your online classmates and your instructor. Reference the Code of Student Conduct for more information.

Business Office

The Business Office is chiefly responsible for ensuring that students make arrangements to either (a) clear their fees with financial aid money or (b) pay their fees by the deadlines established in the Academic Calendar and the Registration Guide. Students who have questions about charges to their student accounts or questions about fee payment should contact the Business Office.

Important Terms and Definitions

Course and Fee Statement – A document that contains a class schedule, tuition charges, and financial aid award information. Students should receive a hard copy of this document after meeting with an Academic Advisor who helps to schedule your classes. A copy of this document can be found on each student's myLSUE account.

Financially Cleared (or Clearing of Fees) – Refers to the financial status of a student who must have a zero balance or a credit balance on his/her myLSUE account before the payment deadline through either a financial aid award or payment out-of-pocket made in full.

Payment Plan – A Nelnet payment plan is offered to students who do not have sufficient financial aid to cover the cost of the charges to their account and/or personal funding to pay the balance of the account. Students have the option to sign up for the payment plan before the start of the semester and through the late registration period. The payment plan allows students to pay monthly amounts toward the balance owed to the University.

Charge Period (Bookstore) – From two weeks before classes start through the first week of classes, students who financially cleared their fees and have a credit balance on their account or who have documentation with a specified book allowance are allowed to charge their books and supplies at the bookstore up to their credit limit.

Purge – The process by which students that have not financially cleared their tuition/ fees by the payment deadline will result in the student being dropped from the class rolls.

Refund Table – When a student drops a class on or after the first day of classes and before the end of the third day of classes for summer or the 14th day of classes for fall or spring, the student will be refunded a percentage of the tuition paid depending upon when the student dropped the class. See the Registration Guide for more information.

Disability Services

Disability Services assists students in identifying and developing accommodations and services to help overcome barriers to the achievement of personal and academic goals. Services are provided for students with temporary or permanent disabilities. Accommodations and services are based on the individual student's disability-based need. Students must provide current documentation of their disabilities. Students should contact the office early so that necessary accommodations can be arranged.

Who can receive disability accommodations?

Any LSUE student with a documented disability that substantially limits and/or significantly impacts his or her academic pursuits may be eligible for reasonable accommodations. The Office of Disability Services is located within the Student Success Center and provides both student and academic advising to determine, facilitate, and implement reasonable accommodations on an individual basis.

What are reasonable accommodations?

Reasonable accommodations are modifications or adjustments to the tasks, environment, or the way things are usually done that provide individuals with disabilities to have an equal opportunity to succeed. Reasonable accommodations provide opportunity for equity, not leverage. How do I receive accommodations? The student must voluntarily self-identify and provide appropriate documentation to support the functional limitations of the disability in an academic or residential environment.

How do I self-identify my disability and provide my documentation so that I can receive accommodations?

Go to the Disability Services website, which hosts the forms that must be submitted to the Office of Disability Services and describes what documentation is needed to process your request.

What if my disability is temporary and/or does not fit into one of the categories listed on the Disability Services website?

Contact the Office of Disability Services and/or the Student Success Center to inquire with the Coordinator for Disability Services and/or the Director of Student Success about what accommodations could be made for you. Pregnancy, automobile accidents, injuries, and other such occurrences might qualify you for temporary accommodations so that you can continue your academic pursuits without being hindered by your circumstances. These accommodations are discussed and agreed upon on a case-by-case and individual basis.

When are accommodations in effect? Accommodations are effective after the student receives an Accommodations Letter from the Office of Disability Services. The student must give the letters instructor(s) or the individual(s) who will be facilitating the accommodations. Accommodations are not retroactive (must be arranged prior to the advance of the test, class, event, etc.).

Do I have to re-apply for accommodations every semester?

Yes. You must provide updated documentation and submit a new form prior to being approved to receive accommodations each new semester.

Sexual Misconduct and Title IX

Title IX of the Education Amendments of 1972 is a comprehensive federal law that prohibits discrimination based on the gender of students and employees of educational institutions that receive federal financial assistance.

In accordance with Title IX and other applicable laws, LSUE is committed to providing a learning, working, and living environment that promotes integrity, civility, and mutual respect in an environment free of discrimination on the basis of sex and sexual misconduct which includes sex discrimination, sexual harassment, dating violence, domestic violence, sexual assault, stalking and retaliation. LSUE prohibits sex discrimination and sexual misconduct. This policy applies to all persons without regard to sexual orientation, gender identity and/or gender expression.

Sex discrimination and sexual misconduct violate an individual's fundamental rights and personal dignity. LSUE considers sex discrimination and sexual misconduct in all of its forms to be serious offenses. This policy has been developed to reaffirm these principles and to provide recourse for individuals whose rights have been violated. To view LSUE's full Sexual Misconduct/Title IX policy, visit the Title IX website. This policy defines sexual misconduct and also establishes a mechanism for determining when rights have been violated in employment, student life, campus support services, LSUE programs and/or an academic environment.

Bengal-ID: Your Passport to Campus Services

What is a Bengal-ID?

Bengal-ID was created to provide students, faculty, and staff with a fast, safe and convenient way to access campus services. While serving as the official university ID card, it is also a debit card for campus purchases as well as an electronic key for secure access to selected campus facilities.

What is Bengal Bux?

Bengal Bux is a debit card system using your Bengal-ID Campus Card to provide a fast, safe and convenient way to make purchases at various locations throughout the campus. As long as you have money in your Bengal Bux account, you'll enjoy convenient purchasing power without the hassle of carrying cash. Value may be added to your Bengal-ID at any time through the use of Value Transfer Stations conveniently located in both the Acadian Center and the Library. Known as Bengal Bux, card value can be used throughout the campus for a variety of uses such as cafeteria purchases, selected vending machines, and making copies and printing in campus computing labs once your initial free print allowance has been used.

Getting Your Bengal-ID Card

All LSU Eunice faculty, staff and students are required to have a BENGAL-ID campus card. As the official ID card of the campus, your BENGAL-ID card should be carried at all times. Campus offices may require that you show your card before receiving services.

The Bengal-ID Office is a unit within the Office of Information Technology located in room 204 of the Community Education Building. Regular office hours are between 8:00 a.m. and 4:30 p.m.

There is no charge to receive your first card. Card holders will be charged \$5 to replace lost or misplaced cards. Card privileges for students will not become active until your tuition and fees for the semester are paid.

Why Do You Need It?

As the official id card of LSU Eunice, it provides you with admission to campus events such as athletics and fine arts presentations.

- It's required to make copies on campus.
- You must have your BENGAL-ID to use the printers in campus computer labs. Student printing accounts are credited with \$4.50 each semester. This is equivalent to 150 black and white printed pages. Color pages will reduce your allotment by .25/page or the equivalent of 8 1/2 black and white pages. After using your free prints, subsequent pages will be deducted from your Bengal Bux account. (3 cents for black and white, 25 cents for color)
- It's required to use campus recreational facilities including the gym, weight room, and pool.
- Many area merchants provide discounts to LSU Eunice students and employees. You must present your BENGAL-ID to take advantage of these services.
- Use the BENGAL-ID in the cafeteria and at other campus locations instead of carrying cash!
