## **LSUE DE Advising Guide**

This guide for counselors serves as a resource to assist high school students in determining which Dual Enrollment courses best fit their future educational goals.

The guide provides a list of all available courses a Dual Enrollment student can enroll in each semester as they work to fulfill their high school and chosen college degree programs. The guide lists required degree courses, course name at LSUE, correlating high school course, high school course code, suggested high school grade for enrollment, and any special instructions or prerequisites for each DE course.

### **Instructions for using DE Advising Guide:**

1. Have the student select a future career choice.
2. Use the Career Choices tab to determine the appropriate college degree based on career choice.
3. Click on the correct Associate Degree tab along the bottom to view the courses in the degree program .
4. Use the chart to determine which high school courses correlate to each college course .
5. Select courses that meet both the high school needs and the college degree as first choice DE courses.
6. Add the desired courses to the DE application each semester according to the degree advising form.

## **Course Credit from Standardized Exams**

This guide also provides a chart that shows which college credit can be earned through ACT, AP, or CLEP Exams for a student's chosen degree program.

The AP-CLEP Equivalency tabs list each course in the degree program and any related test scores that can be used to earn articulated college credit for the course.

### **Instructions for receiving course credit from Standardized Exams:**

1. Complete a Course Credit form (download online) and return signed form to the Dual Enrollment Office at LSUE.
2. LSUE will acquire the necessary signature on the form from the appropriate Dean.
3. The student will be contacted to pick up the form from the Dual Enrollment Office.
4. Student must bring payment for course(s) and the form to the Business Office .
5. Submit form with payment receipt to the Admissions Office (Geaux Center).

## LSUE Degree Plans by Career Choice

### Assoc. of Science La. Transfer - Biological Science

A biological science degree is for someone who desires a career in one of the following:

- Veterinarian
- Medical Doctor
- Pharmacy
- Physical Therapy
- Biologist
- Wildlife management

### Assoc. of Science La. Transfer- Physical Science

A physical science degree is for someone who desires a career in one of the following:

- Engineering
- Chemist
- Ecologist
- Mathematician
- Physicist

### Associate of Art La. Transfer - Humanities

A humanities degree is for someone who desires a career in one of the following:

- Educator
- Lawyer
- Marketing
- Sales
- Communication
- Journalism
- Social Worker
- Lawyer
- Linguist

### Associate of Art La. Transfer - Social Sciences

A social science degree is for someone who desires a career in one of the following:

- Sociologist

- Psychologist
- Economist
- Political Scientist
- Lawyer
- Social Worker
- Anthropologist
- Criminologist

### **Associate of Art La. Transfer - Business**

A Business degree is for someone who desires a career in the following:

- Accountant
- Self-Employed Business Owner
- Corporate Attorney
- Healthcare Administrator

### **Associate of Science, Nursing**

A Nursing degree is for someone who desires a career in the following:

- Registered Nurse
- Nurse Anesthetist
- Nurse Practitioner

### **Associate of Science, Radiologic Technician**

A Radiologic Technician degree is for someone who desires a career in the following:

- Radiology Technician
- MRI Technician
- CT Tech
- Ultrasound Technician

### **Associate of Science, Respiratory Care**

A Respiratory Care degree is for someone who desires a career in the following:

- Respiratory Therapist
- Sleep disorder specialist
- Perfusion Technologist

	CMAT 1203	Applied Algebra	MATH 1015	3		College Mathematics	
Algebra III	CMAT 1213	College Algebra	MATH 1021	3	Math Comp $\geq 25$	College Algebra or PreCalculus	
Intro. to Statistics	CMAT 1303	Intro. to Statistics	MATH 1425	3			
<b>Humanities - 3 cr. (Choose 1 course from this list)</b>							
English IV	CENL 2103	British Literature I	ENGL 2020	3		English Literature	English Lang. & Comp or Engl. Lit. (4 or above)
English IV	CENL 2313	Intro. to Poetry & Drama	ENGL 2027	3		Anal. & Inter. of Literature	English Lang. & Comp or Engl. Lit. (5 or above)
US History	CHIS 2013	US History to 1865	HIST 2055	3		American History I	History, American (3 or above)
US History	CHIS 2023	US History from 1865	HIST 2057	3		American History II	History, American (3 or above)
World History	CHIS 1013	Western Civilization to 1500	HIST 1001	3		Western Civilization I	
World History	CHIS 1023	Western Civilization from 1500	HIST 1003	3		Western Civilization II	
Speech	CCOM 1013	Fundamentals of Comm.	CMST 1061	3			
Speech	CCOM 2013	Public Speaking	CMST 2060	3			
Philosophy	CPHL 1013	Intro. to Philosophy	PHIL 1001	3			
<b>Fine Art - 3 cr. (Gen. Ed.)</b>							
Fine Arts	CART 2103	Hist. Survey of the Arts	ART 1440	3			Art, History of (3 or above)
Fine Arts	CART 2113	Hist. Survey of the Arts II	ART 1441	3			Art, History of (3 or above)
Fine Arts	CMUS 1013	Music Appreciation	MUS 1751	3			

Natural Science - 17 cr.							
Biology II	CBIO 1013	General Biology I	BIOL1001	1		Biology or Natural Sciences	Biology, (3 or above)
Anatomy & Phys I	CBIO 2214	Human Anatomy & lab	BIOL 1160/1161	4			
Anatomy & Phys II	CBIO 2224	Human Physiology & lab	BIOL 2160/2161	4			
Chemistry II	CCEM 1103	Chemistry I	CHEM 1001	3			
	CBIO 2113	Micro. Biol. For Allied Health & lab	BIOL 1011/1012	3			
Choose <u>1</u> of the following:							
	CPHY 1013	Principles of Physics	PHYS 1001	3			
Physics	CPHY 2113	General Physics I	PHYS 2001	3			Physics B

Social Sciences - 3 cr. (Gen. Ed.)							
Child Psychology	CPSY 2113	Developmental Psychology	PSYC 2070	3			

RAD TECH courses - 45 cr.							
		Medical Terminology	ALLH 1013	2			
		Introduction to Resp. Care	RC 1001	2			
		Resp. Care Science I	RC 2011	3			
		Cardiopulmonary Anatomy and Physiology	RC 2012	3			
		Respiratory Care Instruction	RC 2013	3			
		Conference and Clinical Exp. I	RC 2014	4			
		Resp. Care Science II	RC 2015	4			
		Conference and Clinical Expe. II	RC 2016	4			
		Pathophysiology in Respi. Care	RC 2017	4			
		Advanced Resp. Care Pharmacology	RC 2019	2			
		Conference and Clinical Expe. III	RC 2020	2			
		Perinatology & Pediatric Respiratory Care	RC 2021	3			
		Conference and Clinical Exper. IV	RC 2024	4			
		Professional Review Seminar lab	RC 2025	3			
		Critical Care & Other related concepts in Resp. Care	RC 2026	2			

Associate Degree obtained at **83 credit hours** fulfilling above content requirements
