

# Final Exam Schedule

Fall 2020 | Fall Intersession 2020

## Fall 2020

**SESSION A: December 7-11 | SESSION B: October 15 | SESSION C: DECEMBER 7**

**ROOM ASSIGNMENTS:** Final examinations will be administered in the rooms in which classes normally meet. For group examinations, the instructor will announce room assignments. Classes on the LSU Alexandria campus will follow their own final exam schedule.

**LABORATORIES and HPRE Activities:** Final examinations for laboratory and HPRE activities sections will be administered by the instructor during the last meeting time of that course.

**EVENING CLASSES** (starting at 5 PM or later): Evening classes meeting more than once per week will take the final exam on the first meeting night of the week (e.g., Tuesday-Thursday classes will take the final on Tuesday night).

**GROUP EXAMINATIONS** take precedence over regular examinations. If a student is registered for a course in which a group examination is being given, he/she must take the exam at the time of the group examination, regardless of the regular meeting time of that course.

**WEB & MODULAR COURSES:** Students enrolled in Fall A web-based courses will be given the final exam times by their instructors, to conclude **NO LATER** than December 11. This is not applicable to Fall B and Fall C courses, which are scheduled for October 15th (Fall B) and December 7 (Fall C).

**\*\*Courses taken on the LSUA campus will follow their own final exam schedule. \*\***

### Fall Intersession

#### **SESSION: December 15, 2020 - January 6, 2021**

**WEB & MODULAR COURSES:** Students enrolled in Fall Intersession web-based courses will be given the final exam times by their instructors, to conclude **NO LATER** than 1/7/2021.

**NOTE:** Every effort has been made to establish a final examination schedule that prevents students from having more than one final exam at the same time. It is possible, however, that a few students will have more than one final scheduled at the same time of day. In that instance, they must petition their Academic Dean to have one of their final exams rescheduled. All final exams must be completed by January 7th unless an “I” grade has been: (i) requested by the student, and (ii) authorized by the Vice Chancellor for Academic Affairs, and (iii) given by the instructor.
