It is a community that fosters individual development and the creation of bonds that transcend the time spent within its gates.

To demonstrate my pride in LSUE, as a member of its community, I will:

- Accept responsibilities for my actions;
- Hold myself and others to the highest standards of academic, personal, and social integrity;

The continued success of LSUE depends on the faithful commitment by each community member to these, our basic principles.

COMMUNITY LIVING

Know your responsibilities and rights as a resident in your community.

Being a member of a community brings a set of rights as well as responsibilities. We encourage you to seek active roles in your community as a leader, student, and peer.

Community Standards

LSUE’s residence halls and apartments have established community standards, which are intended to promote the well-being and rights of all community members as well as maintain the facilities and physical surroundings in which the community exists. Resident Assistants (RAs) lead their communities in upholding community standards within the residence halls and apartment communities.

Email

Residents are responsible for all material sent to their LSUE email account by University Housing, and should check it at least once every 24 hours.

Inclusive Housing

The Office of University Housing is committed to providing a community that is accepting of students and staff of different backgrounds, racial and ethnic identities, religious beliefs, sexual orientation, gender expression, age, physical abilities or other aspects of identity. We shall serve as an advocate for diverse interactions of our residents, guests, and staff. All members of our community are responsible for supporting an atmosphere that appreciates individual differences and recognizes each person’s unique contribution to the university. We believe that our students can only achieve their full development as citizens with an environment that supports and promotes the ideas of an inclusive community. Bengal Village takes a proactive approach to protect our diverse community by providing educational programming that addresses topics of diversity and social justice.

We partner with other campus offices like the Office of Disability Services, the Dean of Student Affairs, Veteran’s Affairs, and more to meet students’ needs and connect them with appropriate resources.

Programming

The Office of University Housing is committed to enhancing your total college experience. The purpose of programming is to promote your personal and academic growth. We provide a variety of opportunities for you to get the most from the time you spend outside the classroom. The overall goal is to help you succeed academically and personally while in college and to prepare you for life after graduation.

Roommates

Making the most of living in your new residence hall or apartment community starts with getting settled in and getting to know your roommate. Begin by discussing with your roommate your ideas, feelings, backgrounds, and opinions on
sharing responsibilities in the room. Be clear about what you want and work on compromising. Establishing healthy roommate relationships is the first step in becoming part of the larger on-campus community. Roommates are required to complete a Roommate Agreement each semester. Roommate Agreement forms are provided by your RA who will assist you in the process. These agreements serve as a conversational starting point and should be revisited frequently as relationships with your roommate grow.

**Meeting the Staff**

The Office of University Housing employs full-time and student employees. Staff members help you in your personal and academic endeavors by providing opportunities for growth and development, mentoring, and support.

**Director** – The Director of Housing and Residence Education is a full-time professional that provides vision, direction, and leadership for the day-to-day operation of Bengal Village. The Director is chiefly responsible for all aspects of occupancy management as well as the provision of a supportive and inclusion environment within which residents are held accountable for their actions and able to connect to the residential community. The Director also serves as an academic advisor for student athletes.

**Coordinator for Student Life**– The Coordinator for Student Life is a full-time professional. The Coordinator is chiefly responsible for advising the Campus Activities Board (CAB) to engage both residential and commuter students. The Coordinator is responsible for staffing, supervising, and training student resident assistant (RA) staff to meet the needs of all 216 student residents during office hours and after hours/weekends. The Director supervises the Coordinator. He or she is available as a resource during office hours.

**Resident Assistants (RA)** - RAs are students assigned to individual buildings or communities. RAs are the primary contact for discussing resident questions and concerns, addressing problem resolutions, and establishing community atmospheres. RAs hold building meetings, distribute information, plan programs, work at the office, and enforce policies.

**Maintenance** - Maintenance workers make sure that the facilities are in working condition. They maintain and clean facilities, including the grounds and breezeways.
GETTING INVOLVED

Getting involved in your community is a great way to meet new friends, learn valuable skills, and contribute positively to your living environment. If you have questions about how to get involved in your community, speak with your RLC, GRD, or RA.

Programming
The Office of University Housing and the Campus Activities Board (CAB) are committed to enhancing your total college experience. The purpose of programming is to promote your personal and academic growth. We provide a variety of opportunities for you to get the most from the time you spend outside the classroom. The overall goal is to help you succeed academically and personally while in college and to prepare you for life after LSUE. Check the clubhouse, your RA, or follow the University Housing on social media to learn more about programs happening in your community.

Campus Activities Board (CAB)
The Campus Activities Board (CAB) at Louisiana State University at Eunice is the primary student organization on campus for event and activity planning for students at LSUE. CAB is responsible for planning and hosting all Week of Welcome activities and other campus-wide events throughout the year. For more information on how to get involved with CAB, email Student Affairs at stuaff@lsue.edu. All CAB events are published to the LSUE Events Calendar.

National Residence Hall Honorary
The National Residence Hall Honorary (NRHH) is an honorary student organization made up of the top 1% of student leaders in the residence halls. NRHH focuses on four main aspects - recognition, leadership, service, and scholarship. To be considered for NRHH, a student must have lived on campus for at least one academic semester, maintained a 2.5 GPA, and contributed in excellent ways to your residential community. Each semester students are nominated and inducted into NRHH at a special ceremony in their honor.

Of The Month - One of the main recognition programs coordinated by NRHH is the “Of the Month” or “OTM” program. Throughout the year, students, faculty, and staff nominate outstanding programs or individuals for an “Of the Month” award. To submit a nomination, visit http://otms.nrhh.org/. Nominations compete at the campus level and have the opportunity to be considered for both regional and national awards in a variety of categories.
ROOMMATES

Making the most of living in your new community starts with getting settled in and getting to know your roommate. Living with and among others is one of the most exciting, unique, and potentially stressful aspects of living on campus.

Whether you and your roommate are old friends or matched using the roommate finder portal, developing a healthy relationship will help make living in your new room or apartment comfortable. While you and your roommate are not required to become close friends, sharing a living space will ensure you interact with one another on a daily basis. Great Roommates openly communicate, respect one another, and willfully compromise.

Before You Move In

The relationship you have with your roommates should start before move-in day. Prior to arriving on campus, be sure to discuss what each of you plan to bring and what kind of relationship you’re hoping to have with one another.

Forging this new relationship before living together might include getting to know each other’s sleeping habits, cleanliness standards, and pet peeves. It’s likely that you and your roommate will differ, therefore it is crucial to be clear about what you want and what you are willing to compromise on.

As excited or nervous as you may be to meet your new roommate, keep in mind that social media may not provide an accurate illustration of others. Grant yourself the opportunity to get to know this new person for who they truly are.

Discussion Topics

**ACTIONS**
- How early will you be waking up?
- How late will you be staying up?
- How often do you plan to be in the room?
- What do you plan to use the room for?
- When and where do you plan to study?

**SPACE**
- How often will we clean the apartment?
- Who will clean what?
- What items are you willing to share?
- What items are you not willing to share?
- What is your ideal temperature for the apartment?

**GUESTS**
- How do you feel about having friends and visitors over?
- How frequent do you plan to have guests and visitors over?
- What are your thoughts on having overnight guests?

**COMMUNICATION**
- How should we address conflicts between us?
- How will we confront each other?
- Does in-person communication work better for solving problems?
- How will we involve our RA in working through conflicts?

Living Together

Once you have made it to campus, take time to get to know your roommates—this can be as simple as sharing a meal in the cafeteria, attending a campus event together, or spending time with one another in your room or apartment.

In the first weeks of the semester, roommates will be asked to work together with their RA to complete a roommate agreement. The Resident Assistant will facilitate the conversation, covering topics including ideal room temperature, guest preferences, privacy and more. It is important to take this process seriously, and to be honest and realistic during your roommate agreement. These agreements serve as a conversational starting point and should be revisited frequently as relationships between roommates grow.
ROOMMATE RIGHTS & RESPONSIBILITIES

The LSUE University Housing is committed to providing students an environment that promotes academic success, personal growth, and connection to community. As a resident in our community, you have rights. These rights can only be achieved through collective efforts by the Housing staff, community members, residents, and guests.

- The right to be treated with civility and mutual respect.
- The right to a safe and secure room or apartment, without fear of harm, intimidation, and/or distress.
- The right to sleep without undue disturbance.
- The right to study, read, and learn in your room free of interference.
- The right to adequate privacy.
- The right to respect the property of other and to have your property respected.

CONFLICT RESOLUTION STRATEGIES

Throughout the year, there may be times when you and a roommate may come to some sort of conflict. Conflict is normal and part of even the healthiest of relationships. Your success as roommates is not based on whether or not you’ve experienced conflict, but rather how you and your roommate respond to it.

DISCUSS

The first, and most important step to conflict resolution is sharing concern with your roommates; it is possible that your roommate may not be aware that you have this concern. When speaking to your roommate regarding the issue, be sure to keep these tips in mind.

Be Calm – The ways in which you approach the conflict can make the issue easier to address or escalate the conflict. Remaining calm and using appropriate language will help working to solve the issue.

Go to the Source – It’s best to address problems with your roommate, rather than complain to others. Talking to others may only intensify the issue, instead of resolving it.

Use “I” Statements – By using simple “I” statements, you can decrease any implied blame and increase your roommate willingness to talk. “I” statements are simple and convey how you feel about the situation. For example, saying “I feel annoyed when you have guests over at night, because I can’t get enough sleep,” rather than, “You and your guests always wake me up and I can’t get enough sleep, it’s so annoying.”

WORK TOGETHER

Even if you are the one initiating the conversation about a conflict, it is important to realize your role in the situation. Work with your roommate to solve the conflict and make a commitment to listen to one another.

Listen – Even if you are the one bringing up the issue, it is important to listen to what your roommate has to say. Often, conflict is a two-way street, be willing to hear out their concerns too.

Compromise – More than likely, you and your roommate will not have identical preferences on the room. Be willing to compromise, but stay true to yourself and your preferences.

Think for the Future – Dwelling on a past issue will not help make the relationship with your roommate better. Create a plan to address any conflicts that may arise in the future.

CONSULT

You are not alone when living on campus, your resident assistant and other Housing staff are here to support and assist you in resolving roommate conflicts.

Use your Resources – If you have not yet resolved the conflict, your RA can give you helpful techniques to when speaking to your roommate. Additionally, your RA and the other staff in your community are able to mediate the conversation among roommates.

Residents are prohibited from subleasing their room/apartment to another person.

Tobacco
The use and possession of tobacco and tobacco products is prohibited on campus. This includes, but is not limited to, cigarettes, smokeless tobacco, electronic cigarettes, and vaporizers. Residents and guests must move to off-campus locations or a personal vehicle with closed windows for the use and storage of tobacco products. A fine of $200 will be assessed to the individual suspected of smoking.

Trespassing
Within each on-campus community, there are areas that residents are not allowed to enter such as the roof and maintenance closets/hallways. Residents are also not allowed to enter another resident’s room without permission from that resident. Residents are responsible for contacting a University Housing staff member to determine the areas that are off limits within their community.

Weapons
Possession and use of firearms (including but not limited to air pistols, BB guns, and paint guns), facsimile weapons, ammunition, explosives, fireworks, knives (other than kitchen utensils), or dangerous weapons is prohibited in or around University Housing properties.

Windows
Residents are not permitted to throw anything from windows within on-campus communities. Screens must remain on windows at all times.

Winter Break
Students are required to vacate their apartments during Winter Break unless approved by the Office of University Housing. Winter Break is defined as the Saturday following Fall Term A finals until the Saturday prior to the first day of Spring Term A classes.
PROCEDURES

LSUE Cares
LSUE Cares is a university initiative dedicated to the well-being of students and promotion of a community that cares about each of its members. LSUE offers an online reporting system at www.lsue.edu/care to help students, faculty, staff, families, and friends submit reports about:

- Potential violations of the LSUE Code of Student Conduct;
- Concerns regarding sexual misconduct or hazing;
- Concerns surrounding acts of bias or discrimination;
- Complaints or grievances; and
- Concerns about students in crisis or distress.

Reports may be submitted by anyone with a concern about the LSUE community. Reports may be submitted either with a person’s contact information or anonymously. When a report is received, staff will review the details using a CARE approach (Communicate, Assess, Refer, Educate) and then determine a response that includes appropriate campus resources. If there is a possibility that a student may harm himself/herself or others, dial 911 immediately. In the event of an emergency, do not use these forms.

Accountability Process
The goals of the LSUE conduct process are:

- To provide an accountability process that holds students accountable for unacceptable behaviors that occur within an on-campus residential community or that involve on-campus residents
- To protect the rights of all members of the university community
- To educate students regarding the responsibilities inherent in an on-campus residential community, including abiding by policies that are established for the safety and welfare of the community
- To provide students serving on the University Hearing Panel with an opportunity for leadership and service to the on-campus residential community and university

Documented is the term used by most people in the university community when they are referring to the process that occurs when a staff member or resident witnesses and reports an alleged violation of university/housing policies, as outlined in the LSUE Code of Student Conduct, housing contract, and/or this handbook. In some instances law enforcement may become involved.

In most cases when a student is observed potentially violating a university policy, a University Housing staff member will identify himself or herself, communicate which policy has been violated, and request identification from the student. If you find yourself in such a position, you should remember that the conduct system is part of the total educational process and is protective of your rights. Always cooperate, be honest, and produce your LSUE ID immediately upon request.

When writing an incident report, the University Housing staff member will include every detail that was observed before, during, and after the incident. The incident report is reviewed by staff members and makes the best educational decision as to the next course of action. If it is decided that the incident warrants follow-up, a meeting will be scheduled with you by appropriate university staff. At this meeting, you will be allowed to present your side of the story. You will also be allowed to review the incident report when appropriate.

A copy of the LSUE Housing Application and Contract may be obtained online at lsue.edu/housing.

More information regarding the Student Conduct Process may be found on the Student Affairs website, which is www.LSUE.edu/studentaffairs/. Students with questions about the conduct or contractual process should contact the Office of the Dean of Student Affairs (Acadian Center, 112) or a University Housing staff member.
Title IX and Sexual Misconduct

Title IX of the Education Amendments of 1972 is a comprehensive federal law that prohibits discrimination based on the gender of students and employees of educational institutions that receive federal financial assistance.

In accordance with Title IX and other applicable law, LSUE is committed to providing a learning, working, and living environment that promotes integrity, civility, and mutual respect in an environment free of discrimination on the basis of sex and sexual misconduct which includes sex discrimination, sexual harassment, dating violence, domestic violence, sexual assault, stalking and retaliation. LSUE prohibits sex discrimination and sexual misconduct. This policy applies to all persons without regard to sexual orientation, gender identity and/or gender expression.

Sex discrimination and sexual misconduct violate an individual’s fundamental rights and personal dignity. LSUE considers sex discrimination and sexual misconduct in all of its forms to be serious offenses. This policy has been developed to reaffirm these principles and to provide recourse for individuals whose rights have been violated. This policy establishes a mechanism for determining when rights have been violated in employment, student life, campus support services, LSUE programs and/or an academic environment.

Visit www.lsue.edu/titleix/ for more information about reporting a violation.

Contract Appeals

The Office of University Housing Academic Year Contract states, “The term of this contract is the academic year.” Exceptions may be made for those students who have a significant and/or documented medical reason. All requests for living off campus for medical or other reasons will be reviewed on a case-by-case basis. Information regarding requests to cancel Housing contracts can be on the Office of University Housing website at lsue.edu/housing.

Return to Housing from Medical or Behavioral Treatment or Care

In the event that a student is transported, voluntarily or involuntarily, to a medical or behavioral health treatment center, the student will be required to provide information to University Housing in order to return to his/her on-campus housing assignment.

When a resident’s behavior endangers the life of a person, threatens the functionality of a safe and comfortable community, or a resident has a history of conduct violations, the Office of University Housing may review the resident’s contract for housing. During this process, a decision to terminate the housing contract, relocate to another on-campus location, or allow the resident to remain in his/her current location is made.
SERVICES

Cable Television Services
Cable television service is not included in the room rates of Bengal Village communities. However, Spectrum television service is available. To order Spectrum television service, call 855-872-0428.

Dining Services
All students living in on-campus residence halls are required to participate in one of the university meal plans offered by LSUE Dining. LSUE Dining’s meal plans offer a combination of meals which are served in the all-you-care-to-eat cafeteria and dining dollars at any retail LSUE Dining location on campus.

Insurance—Property
LSUE assumes no responsibility for any loss or damage to your personal property. If your belongings at school are not covered by a parent’s homeowner’s policy, you may obtain personal effects coverage through a university-approved company. Information on this topic is available on the Housing website.

Laundry Facilities
You are responsible for your own laundry items and for following the proper procedures in washing and drying. The university does not offer a linen service. It is your responsibility to learn the proper operation and care of the items by reading the appliance guidelines. Washers and dryers can be found within the Community Center.

Mailbox and Mail Delivery
All on-campus residents will be assigned an LSUE Box at the mail center located on the exterior of the Housing Community Building. This cost is included in your room payments, so no additional payment is required.

You will receive your mailbox key when you return your completed Unit Condition Report to the Bengal Village office following your move-in.

Residents will be notified when a package too big to fit in the mailbox arrives via their LSUE email/housing portal.

To send mail and packages to an LSUE Box, please follow this address format:
   Student’s Name
   225 LSUE Campus Drive
   Apt #______
   Eunice, LA 70535

Maintenance
The Office of University Housing staff provides safety equipment inspections, general maintenance (painting, plumbing, electrical maintenance, and carpentry), and custodial services. University Housing custodians clean all public areas of the apartments, including lobbies, corridors, study rooms, kitchens, and laundry rooms. However, you are responsible for cleaning your own room. If you have maintenance needs or damages, report them to the front desk. If the problem is not resolved, the Director should be contacted. Maintenance personnel are on duty from 7:30 a.m. – 3:30 p.m. weekdays.

If emergency repair work is needed after 4:00 p.m. on weekdays or anytime on weekends, consult the main office or the on-duty Resident Assistant. Examples of maintenance emergencies include flooding and power outages.

For any non-emergency maintenance issues, please submit a maintenance request on the housing portal. Please provide as many details as possible.

Parking
First, register your vehicle on your myLSUE account under the “Student Services” tab. You will need to know information about your vehicle, including license plate number, make, model, year, and color. After you register your vehicle on myLSUE, you will retrieve your parking pass from the LSUE Campus Police Office, located at the MX2 Building (behind Manuel Hall).

Lastly, go to the Business Office, located on the first floor of the Science Building, to pay for your parking permit. For more information on obtaining your parking permit, contact LSUE Campus Police at 337-550-1225.

Pest Management
The Physical Plant manages a proactive program to eliminate pests (roaches, ants, spiders, etc.). All residence halls and apartments are treated quarterly. Additionally, there are perimeter treatments designed to eliminate unwanted pests from our residence halls and apartments. However, poor housekeeping in your room can be an attraction for a pest looking for a new home or for food. A pile of clothes and food crumbs on the floor offers a home and a meal for an unwanted guest. If you discover a pest in your room, notify the office immediately.

Vending
For your convenience, there are vending machines located in the Clubhouse.
