

SUBJECT: Accreditation Liaison's Responsibility to Report Substantive Change and Representation to Other Agencies

PURPOSE

To establish a policy/procedure regarding the reporting of substantive change and representation to other agencies.

GENERAL POLICY:

It shall be the policy of LSU Eunice to report any substantive change or change in program accreditation status to the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) in accordance with Commission Policy on "[Substantive Change for SACSCOC Accredited Institutions](#)" revised December 2018.

All questions/changes in regard to possible substantive change or changes in program accreditation status (including voluntary withdraw from accreditation) shall be referred to the SACSCOC Accreditation Liaison for review.

The Liaison will then consult with the appropriate vice chancellor and the Chancellor to determine course of action, if any. All notifications to SACSCOC must be routed through the Office of the Chancellor; copies of which will be retained by the Accreditation Liaison.
