Fall Intersession 2013 Registration Guide

This Registration Guide is neither a contract nor an offer to contract. LSU Eunice reserves all its rights to make adjustments and changes as it deems necessary without prior notice. The University reserves the right to cancel any courses in which there is not sufficient enrollment. Should a class be canceled after you enroll, you may add another course during late registration/schedule adjustment period at the beginning of the term without penalty. If you have no alternate course preferences, you will receive a full tuition refund. Allow six to eight weeks to receive the refund.

REGISTRATION GUIDE PROVIDES VITAL INFORMATION

Next to the Catalog, your Registration Guide may be the single greatest piece of resource material available to you. While the Catalog may tell you everything in general about LSU Eunice, the Registration Guide tells you "everything you need to know but are afraid to ask" about the fall intersession. Look over the Registration Guide carefully, print out a copy, and be sure to bring it with you when you come for advising and registration. <u>In order to be considered a registered student, all persons must: 1) Meet with Advisor; 2) Schedule Classes; and 3) Clear Fees.</u> Until all three steps are successfully accomplished, persons are not considered registered for the semester.

MEET WITH YOUR ADVISOR BEFORE REGISTRATION

All students are strongly encouraged to meet with their academic advisors before Early Registration. Academic advising is more than just a time to schedule next semester's classes. It is a decision-making process in which you get advice on your long-term plans for your future and will receive clearance to register. You will not be able to use the myLSUE computer web-based registration system until your advisor has cleared you to register. You can meet with your faculty advisor during your advisor's posted office hours.

If you are a new, re-entry, or transfer student and need to attend orientation, you will meet with an advisor at that time; otherwise, you need to schedule an appointment with your advisor prior to registering.

I.ADMISSIONS and ORIENTATION

To apply online, visit the web site at <u>http://apply.LSUE.edu</u>. Once the application is completed online, applicants must pay the \$25 application fee before the Office of Admissions can process their applications. The fee can be paid either online or by phone using a credit card, (337) 550-1262, or by mail to LSU Eunice Business Office, P. O. Box 1129, Eunice, LA 70535. After you complete an application online, you will be able to pay the application fee and waive the requirement to submit immunization information.

ORIENTATION/REGISTRATION

Orientation/Registration offers incoming students a chance to learn about the university and meet with staff from key campus departments. It helps ease the transition into college life by providing vital information and opportunities for interaction with students, faculty, and staff. Students can also have their ID cards created, visit with an academic advisor, and register for classes.

Orientation is mandatory for all students who have earned less than 24 semester hours. Upon being admitted to LSU Eunice, students can register for Orientation/Registration online at <u>http://www.lsue.edu/orientation</u>. There is a \$15 Orientation fee. Check in at the Acadian Center. For more information, please call (888) 367-5783, ext. 218, or locally 550-1218.

Parent and Spouse Orientation

Parents and spouses of Orientation students may attend Orientation at no additional charge. They will have the opportunity to attend a separate program to learn about the university. Representatives from various university departments will meet with parents and spouses at a special information session designed just for them.

PROOF OF IMMUNIZATION

Louisiana law requires that all first-time LSUE students who were born after 1957 provide proof of immunization against measles, mumps, rubella, and tetanus-diphtheria prior to registration for the initial term of enrollment. New students are provided a <u>Proof/Waiver of Immunization Form</u> at the time of admission. The form should be completed and returned to the Office of Student Affairs and Enrollment Services (Acadian Center Room 112).

REQUIRED MENINGITIS IMMUNIZATION

At this time Louisiana law requires all students entering any university for the first time, any students living on campus, and any transfer students to be immunized against meningitis unless a waiver is signed. Meningitis is a potentially fatal infection. When it strikes, its flu-like symptoms make diagnosis difficult. To learn more about meningitis, its symptoms, and its effects, read the information found at http://children.webmd.com/vaccines/tc/

<u>meningitis-topic-overview</u>. If you are a first time student, a transfer student, or a student living on campus, please (1) submit proof of inoculation for meningitis or (2) provide a signed waiver. If you are under the age of 18, your parent or guardian **must** sign the waiver also. This process must be completed before you are eligible to register for classes. Please send the appropriate documents as soon as possible to the Office of Student Affairs and Enrollment Services (Acadian Center Room 112), LSU Eunice, P. O. Box 1129, Eunice, LA 70535 so you may enroll in classes.

II. STUDENT SUPPORT SERVICES

Students who want to sign up for free tutoring, supplemental instruction, support services for students with disabilities, financial aid/literacy, personal and academic counseling, two-year/four-year transfer assistance, and other academic support services are encouraged to fill out an application during early registration to avoid delay in services. However, a student may apply at any time. During all orientations, interested students should stop by the Student Support Services' table in the Acadian Center to complete the application after they have met with their faculty advisor. There is a one-time application process and qualifying students can receive services until they graduate or transfer. Applications are also available from Student Support Services (Science Building Room 146).

REGISTRATION ASSISTANCE FOR STUDENTS WITH DISABILITIES

Students with disabilities who need help with registration may request assistance from Student Support Services, provided the following conditions are met:

• Student Support Services must be provided with documentation of a disability warranting accommodation and a completed Student Support Services application at least three business days before the student reports to register for classes. In cases where evidence of disability is readily visible to staff members, written documentation is preferred but not essential.

• The student must notify Student Support Services of the need for registration accommodations and must discuss the exact nature and degree of accommodation with the Students with Disabilities Coordinator/Counselor no less than three business days before reporting to register for classes (except in the case of a genuinely unexpected emergency).

• During the discussion of accommodation with the Coordinator/Counselor, the student must establish a time for registration and must arrive promptly to register at the specified time.

III.ACADEMIC POLICIES

For information concerning resigning from the university, requesting an "I," repeating a course, academic bankruptcy, or other academic policies, please consult the appropriate section of Academic Catalog.

TRANSFER COURSE AGREEMENTS

For information on transfer credit, check the Louisiana Board of Regents Academic Affairs' <u>Master Course</u> <u>Articulation Matrix</u>. This matrix indicates transfer equivalencies of courses among Louisiana's public colleges and universities. The listing of courses in the matrices is not all-inclusive. There are courses that articulate between campuses that are not listed on the matrix. Students who want more information about the transferability of courses for academic credit in general, or credit toward a specific degree program, should contact the appropriate member of the statewide articulation council as listed at this <u>link</u>.

In addition to those courses listed on the Board of Regents transfer guide, LSU Eunice has written transfer agreements with the University of Louisiana at Lafayette and McNeese State University specifying which LSU Eunice courses are equivalent to courses at those institutions. Check with your advisor for details. Most LSU Eunice course numbers parallel the course numbers in the catalog of LSU A&M.

FAQ

1. Who can take part in computer registration using the myLSUE system on the Internet?

Current students and N/T/R students who have completed the application process will all be able to register over the internet using myLSUE. Before they can register, students must first meet with their faculty advisor to discuss scheduling and to receive clearance to register. Students use their student ID to login on the myLSUE system on the Internet, and they use their password that was sent to them by the Admissions Office. If you need these numbers, please contact the Office of Information Technology (Community Education Building Room 204).

2. Will all N/T/R students be able to register by computer?

To be able to register by computer, N/T/R students must have a current application on file and have complied with immunization requirements.

3. When can students register by computer?

Students whose admission files are provisional or complete can take part in early registration. Current students can register beginning October 21, 2013 based on the number of earned college credit hours plus the hours for which the student is currently registered this fall. Students can find out their number of earned credit hours using

myLSUE to view their college transcript. The number of earned credit hours is included in a statistical table at the bottom of the transcript. If you try to access the system prior to the time listed in the schedule, the system will not allow you to register.

4. <u>If my admission file is incomplete or I owe LSU Eunice money from a previous semester, will my registration be blocked?</u>

In most cases, the computer registration system will allow you to register if you are an applicant whose admission file is not yet complete. If you currently owe money to LSU Eunice, the computer registration system will not allow you to register. The system will tell you the type of hold placed on your registration. Contact LSU Eunice to clear up the problem with the appropriate office.

5. Once classes start, can I add or drop classes using the myLSUE registration system?

Yes. You can use myLSUE to add or drop classes. The system will follow the deadlines published in this Registration Guide and in the <u>LSU Eunice Catalog</u>. After the published deadlines, you will not be able to add classes. You will still be able to use the system to drop classes. Before adding or dropping, you should consult with your advisor. Ultimately, it is your responsibility to make sure that your schedule meets your needs. Your schedule should fit the requirements of your curriculum, whether you are enrolled in an LSU Eunice program or you are taking courses that you will transfer to another college. When you drop classes, you should be aware of financial aid requirements for satisfactory progress. You may fail to meet those requirements if you do not complete a sufficient number of the courses in which you initially enrolled.

6. Can I resign from all of my classes using the myLSUE computer system?

If it is prior to the first day of classes, yes; otherwise, you will need to report to or contact the Registrar's Office at (337) 550-1304.
